The journey of the 2010 UCLA season ended in Oklahoma City with the Bruins' hoisting their 12th national championship trophy. It was a year full of ups and downs, but culminated in yet another title banner that hangs at Easton Stadium. However the start of a new softball season brings a new beginning, putting last year's memories in the rear view mirror.

The Bruins used the memory and guiding principles of John Wooden during their championship run a year ago. But as the legendary coach would say, and echoed by fifth-year head coach Kelly Inouye-Perez, "Yesterday is as old as dirt and tomorrow you have no control over."

"Our championship last year was a great one, but it is history now," Inouye-Perez said. "In 2010, we never looked ahead to the next day and that is our goal again this year. We are focused on being great day-to-day and that's the approach we have taken all the way back from Fall to the preseason and on into season so we can be at our best at the end."

The Bruins' respect for the game is what helped them to a championship in 2010 and what will help them attempt to repeat in 2011. "Everybody we play we have a great deal of respect for. The only thing we have control over is how hard we play innings one through seven. We have new faces and a new chemistry this year and our goal is to sharpen that every day so we can be at our best at the end. We are excited for this season's journey to start."

PITCHERS

The Bruins lost one of the heart and souls of their program in the graduation of Megan Langenfeld, a leader at both the plate and in the circle. But despite her loss, UCLA does return its strikeout, wins and ERA leaders from a year ago.

Senior Donna Kerr paced the Bruins with 18 wins and 185 strikeouts in a team-best 150 1/3 innings over 30 starts. The workhorse was named All-Pacific-10 Conference honorable mention a year ago and ranked 38th nationally in strikeouts per seven innings and 39th in fewest hits allowed per seven. Kerr pitched the final out of the National Championship clinching game last June against Arizona and the Bruins will rely on the experience gained in Oklahoma City in her final year in Westwood.

"I'm really excited to see how Donna is going to finish up her career," Inouye-Perez said. "She has gained a great deal of experience over the last three years. Donna is a pitcher that is used to winning. She has won at every level and that experience is something that can help any pitcher. She is very focused and determined to do whatever it takes to help this year's team."

Another pitcher who gained valuable experience in the 2010 postseason was Aleah Macon, who went 5-0 with 34 strikeouts in 28 innings. She started the Women's College World Series opener against Florida, and in what would be a great trivia question for UCLA softball fans, recorded both wins in the WCWS Finals against Arizona. Macon led the Bruins with a 1.50 earned run average, posting a 13-1 record and 109 strikeouts in 88 2/3 innings.

"We are very fortunate to have a great amount of depth in the circle on this year's team," Inouye-Perez said. "Aleah is very strong and athletic and is known for her power pitching, which is complimented by a great change. Now that she has experienced a year here at UCLA, she is ready to get stronger and take her game to the next level. Any time you are a hitter and face a pitcher like Aleah, you immediately get put on the defensive because of her speed."

"Aleah, as a power pitcher, does a great job of complimenting Donna, who is known for her movement and changing of speeds."

Also returning for the Bruins is sophomore Destiny Rodino, who went 2-1 in eight appearances as a freshman. "Destiny is a great competitor," Inouye-Perez said. "She has done a great job of complimenting the pitching staff with a great team over self attitude. She always works hard in practice and brings that lefty dimension of being able to throw the timing off of hitters. Destiny works very well with the rest of the pitching staff to do whatever it takes to help the team."

Entering her first season as a Bruin is freshman lefty Jessica Hall, who will be able to impact the Bruins in a variety of ways in the circle, at the plate and at first base. Hall was named California's Gatorade Player of the Year and Los Angeles Times POY after going 28-3 with a 0.68 ERA and 336 strikeouts in 204 2/3 innings during her senior campaign at Ayala High School in Chino Hills, Calif.

"The day Jessica committed to being a Bruin was a great day for UCLA softball," Inouye-Perez said. "She's going to be able to impact the lineup in so many areas. There were high expectations for her last year and she did a great job of handling the pressure and finishing her high school career strong. She's explosive and has a great presence. I'm looking for her to contribute right away."

CATCHERS

A veteran and a newcomer will handle the foursome hurling from the circle in junior Dani Yudin and freshman Alyssa Tiumalu.

Yudin was named All-Pac-10 honorable mention in 2010 after finishing fourth on the squad with a .336 batting average to go along with nine home runs and 26 runs batted in. She was second on the club in on base percentage (.471) and walks (29), including a team-best seven free passes during the WCWS. She appeared in only three games behind the plate a year ago, but with the departure of All-Pac-10 player Kaila Shull, will see increased playing time behind the dish along with time at first base where she started 22 contests last year.

"It was very exciting to see Dani contribute to the lineup last season," Inouye-Perez said. "She came through when people ahead of her in the lineup were being pitched around, especially with quality two-strike at-bats. Behind the plate, she is a confident leader. Dani does a great job of working with the pitchers and controlling the game. I'll rely on her to bring her experience behind the plate in helping this year's staff."

Tiumalu was a standout player at Pleasant Grove High School in Elk Grove, Calif., earning Under Armour and ESPN Rise All-American honors as a senior. She led all Delta River League players with 43 RBI, earning league co-MVP accolades, to go along with seven home runs and a .450 batting average. Despite her 5-foot-4 frame, Inouye-Perez says she is very strong behind the plate and at the dish as well.

"Alyssa has solid mechanics and a strong arm. She has done a great job of getting to know the pitching staff. She is also going to make an impact right away at the plate. She swings a big stick. Her size is deceptive, because she is a very strong and powerful girl."

Junior Brooke Finley is also a big reason for the Bruins' success, and while she has not seen time on the field in her two years at UCLA, her dedication towards the team does not go unnoticed in the clubhouse.

"Brooke is our MVP in the bullpen," Inouye-Perez said. "She knows all the pitchers and helps them get one percent better every day. She gives us great input on how they are doing and is someone that gives 100 percent in our team over self mentality. Brooke comes to practice every day determining how she is going to make her teammates better and that has been a big part of our success."

INFIELDERS

Being able to have the ability to plug a player in at different positions and not skip a beat is something every coach relishes to have. The 2011 Bruins may not have many similar lineups on the scorecard this season, but that versatility is going to be a big benefit for the defending champions as the season goes along. The stalwarts of the Bruin infield are up the middle with a pair of seniors in second baseman GiOnna DiSalvatore and shortstop Monica Harrison.

If you looked up versatile in the dictionary, you'd find a picture of DiSalvatore. Throughout her previous three seasons in Westwood, DiSalvatore has started games at all four infield positions, right field and designated player. A first-team All-American as a first baseman as a freshman, she earned the honor again last year with 58 starts at second base. Not only will you see her again at that position in 2011, but she will also spend time at third, where the Bruins look to replace All-Pac-10 honoree Julie Burney.

Offensively, DiSalvatore paced the Bruins a year ago in runs scored (55), hits (81) and doubles (19) and was second with a .391 batting average. She was also third on the team in on base percentage (.451), tied for third in RBI (53) and fifth with 10 home runs. The senior enters her final campaign with 48 doubles, just 11 shy of the school record and her 19 from 2010 tied for the second most in a single season in UCLA history.

"GiOnna is one of those players that every coach would dream for," fifth-year head coach Kelly Inouye-Perez said. "She has a strong voice and her leadership and confidence is something that will allow this team to stay focused during a game. At the plate, she is one of the most feared hitters in the nation. She's very consistent and has proven that she can hit the best pitching in the game.

"The best part about GiOnna is that she enjoys playing the game and her ability to enjoy the competition is contagious with her teammates. She is very competitive and is always playing at the highest level. She is an anchor in the infield and will be a go-to in the middle of the lineup."

Harrison was named All-Pac-10 as a junior, hitting .273 with three home runs and 24 runs batted in. At the plate, her ability to come through in the clutch is unquestioned, whether it be via her team-best and Pac-10-leading 17 sacrifice hits in 2010 or her key two-run double in the sixth inning of the first Women's College World Series Finals contest against Arizona. But her biggest impact for the Bruins comes defensively, where her .977 fielding percentage with only five errors was the best percentage among all conference shortstops.

"I believe that Monica is the best shortstop in the country," Inouye-Perez said. "She has great hands and a great read on the ball. There are balls that Monica can make look routine and that builds confidence for our pitching staff. She is also a great leader and is someone that can make people around her better by being able to communicate very clearly with her teammates on what is expected in the game and that is an intangible that a lot of people don't know about."

"Offensively, she was outstanding at the two spot for us last year. She prides herself on doing the little things to help the team and she enjoys the pressure of the big games."

Three of the Bruin freshmen will make an impact on the infield in 2011 thanks to said versatility. Talee Snow, a candidate for the starting job at third and second, was a four-time, first-team All-Sierra League honoree at Chino Hills High School and was also named All-CIF and All-Valley as a junior and senior. She hit .330 for her career and set school marks for hits, homers, RBI and runs scored.

"Talee is very solid defensively and can play any position on the infield, whether it is third, second or short," Inouye-Perez said. "Her versatility is a big strength for us. Offensively, she is a very sound hitter and has a great approach at the plate. I look for her to hit for average and to find a way to get on base."

Kellie Fox was a two-sport standout (softball and soccer) at Mt. Carmel High School in San Diego. As a senior, she was named the CalHiSports CIF Division II Player of the Year, earning All-League, All-County and All-Section accolades each season. She hit .454 in 2010 with seven homers, 38 RBI, 13 doubles and 10 stolen bases.

"Kellie is one of the most athletic people we've had come through the program in a while. I can put her at any position, although middle infield is her strength. She has great range and a strong arm. You wouldn't know she was a freshman because she knows the game very well. Kellie has the ability to hit for power, but also has a lot of speed and we'll look for her to get those extra bases."

Jessica Hall, who will be a part of the pitching rotation, will also see time at first. "First is not a position that she played a lot prior to getting here, but she learns quickly and works hard. She's done a great job working with (assistant coach) Lisa Fernandez in preparing herself to help this team at first if she's not in the circle. Offensively, she should be right there in the heart of the lineup," Inouye-Perez said of Hall, who hit .340 with five homers and 32 RBI in her senior season at Ayala HS.

Back on the returner front, junior Samantha Camuso is another who can see time at first base, along with a role as a designated player. Camuso was on fire during the NCAA Tournament, posting a team-best eight homers, 21 RBI and a 1.400 slugging percentage to go along with a .467 batting average, as she went on to earn WCWS All-Tournament Team honors. On the year, she hit .326 with 16 homers and 53 RBI and enters her redshirt junior year sixth in UCLA history in slugging (.608).

"Sammy has one of the most beautiful swings in the game," Inouye-Perez said. "She can hit the ball anywhere and never really has to change the rhythm of her swing. She is a pure hitter who can hit any type of pitching. Her success in the postseason is going to carry her over to 2011 and she will be an impact bat in the middle of our lineup."

When she's not catching, junior Dani Yudin will be a candidate at first base, where she started 22 games as a sophomore. "She did a great job of filling that position last year," Inouye-Perez said. "Offensively, she's very calm at the plate and has a terrific approach. She has the great ability to stay within herself and can hit to all fields."

Another with an opportunity to see playing time at either corner infield spot is senior Amy Crawford. Last season, Crawford appeared in 39 contests, making four starts in right field while seeing a lot of time as a pinch-runner. She was 3-for-14 (.214) with five walks and 15 runs scored.

"Amy has been a big strength to this program with her versatility. She can play third, first or the outfield and adds to our depth defensively. Amy will be prepared to play at whatever position the team needs her to play. I'm very grateful that she has that team over self mentality."

Junior Marti Reed played in 24 contests last season, making four starts, including three consecutive at second base at the start of Pac-10 play. She had four hits in 23 at-bats (.174) with five runs batted in, one double and nine runs scored.

"Marti hasn't had a lot of playing time in the last two years, but she is a great athlete and very versatile. She swings a big stick offensively and has the ability to hit to all fields."

Senior Grace Murray also adds to the depth at second base and coming off the bench as the first pinch-runner. She played in 53 contests a year ago, scoring 27 runs and was a perfect 3-for-3 in stolen base attempts.

"Grace is someone that we can rely on to come in the game at any time," Inouye-Perez said. "She prepares hard every day and makes the team better with her outstanding work ethic."

OUTFIELDERS

When you talk about the best outfields in the nation, the conversation has to begin with the three players patrolling the UCLA grass. In left, you have a player who tied a Women's College World Series record last year with four home runs. In right, you have a player who was named to the All-Pac-10 Freshman Team. And in center, you have a player who returns after an All-American season in '09.

From left to right, juniors Andrea Harrison and Katie Schroeder and sophomore B.B. Bates are multi-faceted players that not only provide outstanding defense in the outfield but pack a substantive punch at the plate.

"Andrea, Katie and B.B. all work very well together in the outfield with their ability to run balls down and throw runners out and that gives a great deal of confidence to our pitching staff," fifth-year head coach Kelly Inouye-Perez said.

The Bruins brought in four freshmen as a solid recruiting class for 2011, but perhaps the biggest "newcomer" this season is someone who played in just seven contests a year ago. Schroeder had eight hits in 22 at-bats through the first two weekends of the season before going down with a season-ending, left leg injury. Now a redshirt junior, Schroeder is healthy again and ready to duplicate a 2009 campaign which saw her hit .402 with 14 homers and 19 stolen bases.

"We were very fortunate to do so well without Katie in the lineup last year and to be able to regain a quality leader like that is a huge strength for us. Katie is a vocal leader for us as the quarterback of our outfield. Offensively, I look for her to be what she was for us as a sophomore in 2009."

When it comes to Harrison, many people talk about the four home runs at the WCWS, a Series-record 11 RBI in Oklahoma City and a spot on the All-Tournament Team. They also talk about the .343 average, the 17 homers and 55 runs batted in last year. As Inouye-Perez put it, she has proven that she is one of the most feared hitters in the game. But a lost attribute of Harrison's is her solid defense as she roams left field.

"You don't get to see it because she doesn't get too many reps, but Andrea has one of the strongest outfield arms in the country," Inouye-Perez said. "She takes a lot of pride in the position and works very well with the other outfielders to produce a solid unit."

One of the players who was thrown into the center field position last year with the injury to Schroeder was Bates, who came through with flying colors after hitting .322 with five homers and 31 RBI. She came through in the clutch several times as a freshman, hitting two-run bombs in the Super Regionals against Louisiana-Lafayette and the WCWS versus Georgia.

"B.B. has worked very hard on her game and came through for us in a lot of key situations last season," Inouye-Perez said. "Just like her fellow outfielders, she has both the short game and the long game. B.B. has an incredible work ethic and I look for her to be even stronger in 2011."

Another player who proved to be a solid replacement in center field was sophomore Devon Lindvall. She played in 50 games as a freshman, making 26 starts in center. She only had 31 appearances at the plate, but her biggest role came in the outfield, where she made some spectacular defensive plays, including one at the WCWS that made the ESPN SportsCenter Top 10.

"Devon is an outstanding outfielder and she made some great plays for us out there last season," Inouye-Perez said. "She works very hard offensively too. Devon brings great depth to our team and has a very positive approach to filling any role for us."

"I have a great deal of confidence that any one of these four outfielders can do a great job of filling those positions."

In Memory of Ted Rahn

The Bruin family suffered a huge loss on October 27 when longtime supporter of the UCLA softball program Ted Rahn passed away after a battle with prostate cancer.

Ted began his commitment to UCLA softball in the late 90's with his daughter Erin playing on the team. Since then, he had been a fixture at Easton Stadium in his customary spot near the Bruin dugout with camera in tow.

Having captured thousands of images of Bruin softball over the last decade, including numerous photos that have appeared in the softball media guide, Ted also kept the Bruin family connected with his weekly newsletter.

From all the Bruins past and present, we thank you Ted and you will be sorely missed.

The UCLA Bruins first opened the gates of Easton Stadium on Saturday, Feb. 19, 1994. The Grand Opening All-Star Game held that day featured the finest softball talent in the world, as former Bruin All-Stars intermingled with current UCLA players in a nine-inning game.

In recognition of the generous commitment of James L. Easton (UCLA, 1959), chairman, chief executive officer and president of sporting goods manufacturer Jas. D. Easton Inc., the new facility was named Easton Stadium.

Located on the northern boundary of the UCLA campus at the intersections of Sunset Boulevard, Bellagio Way and De Neve Drive, the stadium sits on the same plot of land as Sunset Field, the original on-campus facility utilized by the softball team since 1979.

UCLA has an overall home record at Sunset Field/Easton Stadium of 586-112-1 (.839). In 1991, the Bruins posted a perfect 21-0 mark at home and have recorded one-loss home campaigns seven more times (1983, 1985, 1989, 1990, 1992, 1993, 2002). The Bruins' longest home-winning streak was 45 games, spanning the course of three seasons from April 7, 1990 to April 2, 1992.

In addition to being home of one of the top collegiate programs in the country, Easton Stadium is a showcase venue for interscholastic, intercollegiate, national and international events. The United States National Softball Team used Easton Stadium as a training facility and preparation site for the 1996 Summer Olympics in Atlanta, at which Team USA won the gold medal.

Features of the facility include an outstanding playing surface, sunken dugouts, batting cages, a 28-foot electronic scoreboard and message center, a concession stand, a team clubhouse and permanent public restrooms. Easton Stadium underwent a dramatic renovation from October 2004 to March 2005, with the facility receiving new chair-back seating for a capacity of 1,328.

THE COACHES

Kelly Inouye-Perez
5th Year as Head Coach
18th Year at UCLA
UCLA, 1993
Overall Record: 183-49

The Perez Family - Kylie (6), Kelly, Michael (11) and Gerardo

Kelly Inouye-Perez, beginning her fifth season as the Bruins' head coach in 2011, led the UCLA softball program to its 12th national title and 11th NCAA championship in 2010. The Bruins went a perfect 10-0 in the postseason, including 5-0 at the Women's College World Series. UCLA set numerous WCWS records, including the most home runs in one tournament with 14. Megan Langenfeld was named the Most Outstanding Player of the WCWS, while Samantha Camuso and Andrea Harrison each earned All-Tournament honors. Following the season, Inouye-Perez and her staff were honored as the NFCA National Coaching Staff of the Year.

The Bruins went 50-11 in 2010, bringing Inouye-Perez's career record to 183-49 (.789 winning percentage) in four campaigns. UCLA set single-season school records for home runs, slugging, on base percentage and walks. Langenfeld and GiOnna DiSalvatore were each named to the NFCA All-America first-team. The Bruins also had three players named to the All-Region team and 10 honored by the Pac-10.

In 2009, she led the Bruins to a Pacific-10 Conference Championship, as UCLA went 45-11 overall and 16-5 in league play. She was named Pac-10 Coach of the Year and earned her 100th career victory on Feb. 22 against Maryland. In 2008, the Bruins went 51-9 and advanced to the Women's College World Series, finishing second in the Pac-10 with a 17-4 record. In her first season at the helm of UCLA in 2007, Inouye-Perez posted a 37-18 overall record and a 12-9 Pac-10 mark (t-3rd).

Over Inouye-Perez's four seasons, the Bruins have earned 11 All-American awards, 18 All-Region honors and 33 All-Pac-10 accolades.

Inouye-Perez, just the third head coach in UCLA softball history, officially took over the reins from Sue Enquist on Jan. 1, 2007. Enquist announced her retirement as head coach on Sept. 26, 2006.

No stranger to the Bruin dugout, Inouye-Perez starts her 23rd straight season in Westwood in 2011. She is a link to four decades of Bruin softball success, joining the UCLA softball program as a freshman in 1989. Inouye-Perez's time is highlighted by seven NCAA Championships and eight Pac-10 titles in her previous 22 years, spending five campaigns as a player and 13 as an assistant coach.

Over Inouye-Perez's 13 seasons (1994-2006) as an assistant coach, UCLA was 617-150-1 (.804) and appeared in the NCAA title game seven times, winning the NCAA Championship in the 1999, 2003 and 2004 seasons. The Bruins also won three Pac-10 titles during that span (1999, 2002, 2006) and in 2004 were named the National Coaching Staff of the Year by the National Fastpitch Coaches Association (NFCA).

Inouye-Perez's primary responsibility as an assistant coach was guiding the Bruin pitchers and catchers, a list which includes many of the most honored and recognizable names in collegiate softball. Behind the dish, where Inouye-Perez also starred as a three-time All-Pac-10 honoree during her playing days at UCLA, she helped mold and influence arguably the best catcher in the history of USA Softball in Stacey Nuveman. Under Inouye-Perez's tutelage, Nuveman became a three-time Pac-10 Player of the Year, four-time, first-team All-American and the NCAA's all-time single season and career home run leader.

Since the Pac-10 Conference began issuing a Pitcher of the Year Award, UCLA has been honored with two winners, Courtney Dale in 1999 and Keira Goerl in 2003. Among the other pitching highlights accomplished by the Bruins over her 13 years as an assistant included at least one All-American award earned by a UCLA pitcher in 12 of those campaigns, including DeeDee Weiman, four-time Olympian Tanya Harding and two-time Olympian Amanda Freed.

In addition, nearly every UCLA pitching record has been set during the time Inouye-Perez has overseen the Bruin battery and the top four pitchers on UCLA's career wins list, Goerl, Selden, Freed and B'Ann Burns, were coached by her.

Inouye-Perez was an exceptionally strong fielder behind the dish for the Bruins. She made her mark immediately as a collegiate player, earning first-team All-Pac-10 as a true freshman and second-team as a sophomore, leading the Bruins to the 1989 and 1990 NCAA Championships before receiving a medical redshirt in 1991 due to shoulder surgery.

She came back strong in 1992, picking up second-team All-Pac-10 honors as the Bruins once again won the national championship and finished with a 54-2 record, the fewest losses in a season in program history. Inouye-Perez also was named to the 1992 All-Women's College World Series Team, going 5-for-12 (.417) with four RBI during WCWS play. She wrapped up her career as a fifth-year senior in 1993 with an NCAA runner-up finish. Impressively, Inouye-Perez did not commit a single fielding error during her final two seasons.

Among the UCLA pitchers during her five seasons as a player were Lisa Longaker and Lisa Fernandez, both of whom were named to the NCAA's 25th Anniversary All-WCWS Team. During her UCLA career, Inouye-Perez played in 22 Women's College World Series games, a mark that is tied for third-best in UCLA history behind only Lisa Fernandez and Kristy Howard (23). Inouye-Perez graduated from UCLA in 1993 with a B.A. in psychology and earned her master's degree in physical education from Azusa Pacific University in 2004.

Prior to college, Inouye-Perez was one of the top players during her ASA days, winning four national championships, with the Panthers (1984, '85 and '89) and the Raiders (1986). She also competed on an international level in Japan in 1985 and in Peru in 1987 (Pan American Tournament) and followed her collegiate career with time playing on the NPF Pro Tour.

Inouye-Perez and her husband, Gerardo Perez, currently reside in Cerritos. Along with Kelly's exploits on the diamond, Gerardo competed as a catcher/DH for Cerritos College from 1988-90 and helped lead the Falcons to the 1989 Junior College National Championship. After a stellar career at Cerritos, he went on to compete at Loyola Marymount, earning first-team All-West Coast Conference honors his junior and senior seasons. He currently teaches health and coaches baseball at Gahr High School in Cerritos. The couple has two children, Michael (11) and Kylie (6).

Lisa Fernandez
Assistant Coach
13th Year
UCLA, 1995

One of the most recognizable names in the sport of softball, Lisa Fernandez begins her 13th season on the Bruin coaching staff in 2011 after helping UCLA to an NCAA Championship in '10.

This is Fernandez's second stint as a full-time assistant coach for UCLA (1997-99, 2007-), also serving as a volunteer assistant from 2000-04. In 12 previous seasons with Fernandez on staff, the Bruins have posted a 577-139-1 (.805) record and have claimed NCAA Championships in 1999, 2003, 2004 and 2010. UCLA has also won Pac-10 titles in 1999, '02 and '09. The program has been honored as the NFCA National Coaching Staff of the Year twice in 2004 and 2010.

Arguably the greatest pitcher in softball history, Fernandez has coached seven Bruin hurlers to 13 All-American awards. In 2010, the Bruins set school records for home runs, slugging and on base percentages and walks.

Fernandez is a three-time Olympic Gold Medalist, having helped Team USA to victories in the 1996, 2000 and 2004 Olympic Games. In 1996, Fernandez shined in the United States' 3-1 gold-medal victory over China, recording the final three outs to earn a save. She went 1-1 with a 0.33 ERA in softball's inaugural appearance in the Olympics in Atlanta.

In the 2000 Sydney Games, Fernandez pitched the U.S. to victory in both the semifinal win over Australia and the gold-medal game against Japan. She established an Olympic single-game strikeout record with 25 in a round-robin game against Australia and posted a 0.47 earned run average and 52 strikeouts. In 2004, Fernandez was Team USA's top hitter and pitcher, posting a .545 batting average (12-for-22), which set a new record for an Olympic tournament. For the third-consecutive Games, she was also in the circle for the final out of the gold-medal contest, a 5-1 victory over Australia. Fernandez was selected as an alternate to the 2008 Olympics in Beijing.

Away from the U.S. National Team, Fernandez is a member of the ProFastPitch X-treme Tour (PFX), which she has played in for each of the past four summers. In 1999, Fernandez was named the Amateur Softball Association/USA Softball Female Athlete of the Year. As a pitcher and third baseman, she helped the USA Softball Women's National Team to gold medals at both the Pan American Games and the Canada Cup. She also helped the California Commotion win the ASA Women's Major Fast Pitch championship for the fourth consecutive time.

Fernandez played at UCLA from 1990-93 and completed her psychology degree in 1995. A three-time winner of the sport's Honda Award, Fernandez became the first softball player to win the prestigious Honda-Broderick Cup in 1993, given to the most outstanding collegiate female athlete in all sports. A four-time, first-team All-American, Fernandez led the Bruins to two national championships (1990 & 1992) and two runner-up finishes (1991 & 1993). She was also All-Region and All-Pac-10 first-team each season and Pac-10 Player of the Year her final three years.

With a miniscule 0.22 earned run average, Fernandez went 93-7 with 784 strikeouts. Her ERA ranks second in NCAA history and her 74 shutouts are tops at UCLA and ninth in the NCAA annals. In her junior and senior seasons, Fernandez had the lowest ERA in the nation (0.14 in 1992, 0.25 in 1993), sporting a perfect 29-0 mark in `92. She tossed 11 career no-hitters, including a pair in the 1993 College World Series, along with two perfect games. She ranks second in UCLA history in ERA and fourth in wins and shutouts.

Fernandez was just as powerful at the plate, batting .382 with 15 home runs and 128 runs batted in. She hit .401 in her junior season, but eclipsed that mark by more than 100 points in her senior campaign, batting an NCAA-best .510 with 11 homers and 45 RBI. Fernandez ranks in the UCLA Top 10 in numerous offensive categories, including sixth in average and fourth in hits.

In 2003, Fernandez was inducted into the UCLA Athletics Hall of Fame.

Fernandez and Mike Lujan, who were married in August 2002, have a son, Antonio (5), and reside in Long Beach.

Gina Vecchione
Assistant Coach
12th Year
UCLA, 1984

Assistant coach Gina Vecchione begins her 12th season as a member of the UCLA coaching staff in 2011 after helping the Bruins to a National Championship in 2010, the fourth of her career and third as an assistant coach.

Vecchione works with the Bruin outfielders and hitters and also serves as the first-base coach. In 2010, the Bruins set school records for home runs, slugging and on base percentages and walks.

Since Vecchione joined the Bruin coaching staff prior to the start of the 2000 season, UCLA has played in the NCAA Championship game or series six times, winning back-to-back NCAA titles in 2003 and 2004. The Bruins, who have also claimed Pac-10 titles in 2002, 2006 and 2009 during Vecchione's tenure, have amassed a 537-121-1 record during her previous 11 campaigns for an .816 winning percentage.

On April 28, 2007, Vecchione became just the fourth player in UCLA history to have her number retired. Her #2 was enshrined prior to the Bruins' 6-3 victory over Oregon State.

UCLA has been tabbed as the Coaching Staff of the Year three times during Vecchione's tenure in 2000, 2004 and 2010, receiving NFCA Pacific Region honors in '00 and '04 and National honors in '04 and '10. The award in 2000 marked Vecchione's second in a row after earning the honor in her final season as an assistant coach at Oregon State in 1999.

Vecchione spent five seasons at OSU (1995-99) and was the top assistant to former Bruin coach Kirk Walker. In her final season in Corvallis, the Beavers advanced to the NCAA Regional championship game, falling one win short of the Women's College World Series.

As a player in Westwood, Vecchione earned All-Pacific Region selections in the outfield three times in 1980, `81 and `82. In 1981, she led the Bruins in doubles with 10 and tied for the team lead with three triples and 21 runs batted in. Vecchione again tied for the top spot in triples (4) and RBI (12) as a senior. In 1982, Vecchione was a member of the All-College World Series team, as the Bruins won the inaugural NCAA Softball Championship. Following that season, Vecchione received second-team All-American honors. Vecchione earned softball's top honor in 1997 when she became the first UCLA player inducted into the Amateur Softball Association's Hall of Fame.

Immediately after the conclusion of her collegiate playing career, Vecchione remained in Westwood, serving as a volunteer assistant coach for the softball program while working in event management at UCLA. She was also a member of the 1983 U.S. National Team for the Pan American Games.

Vecchione also has instructional videos to her credit and her coaching career includes three seasons as an assistant coach for the ASA's California Commotion, a team that won three consecutive women's major fastpitch national titles. After the conclusion of her collegiate career, Vecchione played 12 seasons with the Raybestos Brakettes of Stratford, Conn., winners of eight ASA titles and three World titles. Vecchione was named to the ASA All-American team seven times and was the top hitter at the 1988 national tournament with a .444 average.

A native of New Rochelle, N.Y., Vecchione, whose family also resides in New York, earned a bachelor's degree in sociology from UCLA in 1984.

Andrea Duran
Volunteer Ass't. Coach
First Year
UCLA, 2006

Andrea Duran joins the UCLA coaching staff in 2011 for her first season as a volunteer assistant. Duran worked as the program's Director of Operations in 2010.

Duran is a member of the U.S. Women's National Team and helped Team USA to a silver medal at the 2008 Olympic Games in Beijing. In the summer of 2009, the former Bruin great earned three gold medals with the U.S. team at the Canada Cup, the KFC World Cup of Softball and the Pan American Games Qualifier.

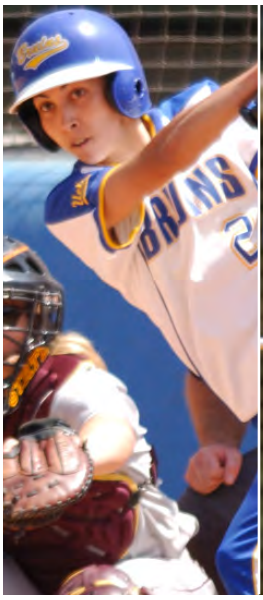
Duran's first appearance with the National Team came in 2006 when she helped the U.S. win gold at the World Cup and the ISF World Championships. She also won gold in 2007 at the Pan American Games, finishing first on the team with eight RBI and second with a .500 average.

In her four seasons at UCLA, Duran was a four-time All-Pac-10 selection, earning first-team honors in 2005 and 2006 and honorable mention accolades in 2003 and 2004. The two-time national champion ranks in the UCLA Top 10 in seven offensive categories, including third in stolen bases (44), tied for third in triples (17) and fourth in runs scored (172). She is the school's single-season record holder in triples with eight in 2005. For her career, Duran hit .322 with 31 home runs, 112 runs batted in and 42 doubles, starting all 236 games she played in.

Duran's best season as a Bruin came as a senior when she led the team in average (.355), runs scored (60), doubles (15), home runs (15), runs batted in (42), slugging percentage (.731) and stolen bases (20). She was a first-team All-American and All-Region honoree, as well as Pac-10 Player of the Year. Duran also earned All-Women's College World Series honors and was a three-time Pac-10 Player of the Week and two-time NFCA and USA Softball National POW.

In the classroom, Duran was named Pac-10 All-Academic three times, earning first-team honors as a junior and senior. In 2006, she was named a first-team ESPN/CoSIDA Academic All-American.

Duran earned her bachelor's degree in sociology from UCLA in 2006.



Julie Burney
Undergraduate Ass't. Coach

Julie Burney joins the Bruins' coaching staff as an undergraduate assistant in 2011. Burney recently completed her four-year career with UCLA, culminating in a National Championship in 2010.

Burney's most productive season came in her final campaign, as she was second on the team with 18 home runs and fifth with 48 runs batted in and 39 runs scored, earning All-Pacific-10 Conference second-team honors. She added a .318 batting average and was also third with 27 walks and fourth with a .665 slugging percentage and 117 total bases.

During the Women's College World Series, Burney hit .429 (6-for-14) with two homers and four RBI, hitting a solo homer against Hawai'i and a three-run shot in the National Championship clinching game versus Arizona, going 3-for-5.

As a junior, Burney was named to the All-Pac-10 honorable mention team after hitting .250 with 11 homers and 30 RBI, placing third on the squad in home runs.

Burney played in 215 games during her four-year career, making 212 starts. She ranks ninth in UCLA history with 37 home runs and sixth with 17 hit by pitches, adding 107 runs batted in, 24 doubles, 93 runs scored and 77 walks.

Burney is finishing up her degree in women's studies.

Megan Langenfeld
Undergraduate Ass't. Coach

Megan Langenfeld joins the UCLA coaching staff in 2011 as an undergraduate assistant after one of the greatest seasons in program history which ended in a National Championship as the Women's College World Series' Most Outstanding Player.

Langenfeld was 12-for-17 in OKC, with the .706 batting average being the second-best total for one WCWS. She set a Series record with a 1.529 slugging percentage and tied marks with four homers and eight runs, all while going 3-0 in the circle with 17 strikeouts in 24 2/3 innings.

While there were plenty of outstanding moments in OKC for Langenfeld, the most memorable was in the first game of the WCWS Finals against Arizona when she homered twice, including a walk-off shot in the eighth inning. She left the yard again in game two and finished the Finals 6-for-8 with five RBI. For the entire postseason, Langenfeld hit .593 (16-for-27) with six homers, 11 RBI, a 1.333 slugging and a .703 on base percentage, to go with a 4-0 record and a 2.30 earned run average in the circle.

Langenfeld, a finalist for the USA Softball National Player of the Year award, set UCLA single-season records in slugging (1.085) and on base percentage (.667) in 2010 and posted the second-best batting average (.527). The Pac-10 Player of the Year also led the Bruins with 20 homers, 58 RBI, 43 walks and 140 total bases and was second with 50 runs scored. In the circle, she was 14-1 with a 1.53 ERA and 76 strikeouts in 114 1/3 innings.

Langenfeld is ranked in the UCLA career Top 10 in nine categories and is the all-time saves leader with 12. She is second in on base (.515), walks (121) and hit by pitches (36), third in slugging (.671), fifth in average (.385) and RBI (170), eighth in homers (39) and tied for 10th in doubles (42). In the circle, she went 53-9 with a 1.42 ERA, posting 348 strikeouts in 453 1/3 innings. Langenfeld added 34 complete games and 13 shutouts, while her five saves in '08 stands as a single-season, school record.

The three-time All-American (first team in '09 and '10) was also a four-time All-Region and four-time All-Pac-10 honoree. She was named Pac-10 Player of the Week three times, Pac-10 Pitcher of the Week four times and National POW on five occasions (two NFCA, three USA Softball). To go along with all the on-field accolades, she was a three-time Pac-10 All-Academic selection.

The year of 2010 also saw Langenfeld nominated for an ESPY and honored as the Los Angeles Sportswoman of the Year. She spent time during the summer with the U.S. National Team and helped Team USA to a Japan Cup title, earning tournament MVP honors.

Langenfeld is currently finishing her degree in economics and will continue her playing career in March with the Denso Team in Japan.

2010 IN REVIEW

Every season has its ups and downs and the 2010 UCLA softball season was no different. But the finished product resulted in the Bruins hoisting their 12th National Championship trophy in early June in Oklahoma City.

The season began with plenty of ups, as the Bruins raced out to a 13-1 start, which included nine victories by mercy rule. Opening up the year in Clermont, Fla. on Feb. 13, UCLA mercy-ruled Florida Atlantic and a Tennessee team which would end up only one win away from the Women's College World Series Finals. The following day, the Bruins played an epic duel with third-ranked Michigan, going 13 innings with the Wolverines before succumbing to 4-2 defeat. However, UCLA rebounded with a gutsy, 3-2 come-from-behind triumph over Georgia thanks to a two-run sixth inning to end its stay in the Sunshine State at 3-1.

Back on the west coast, the Bruins posted one of the numerous records they set in 2010, recording a school-record, five-straight wins by mercy rule. After a doubleheader sweep at UC Santa Barbara on Feb. 17 which saw UCLA score 25 runs in 11 innings, the Bruins came home for the Stacy Winsberg Memorial Tournament and mercied their next three opponents by a score of 27-0. During that stretch, GiOnna DiSalvatore had nine consecutive hits, including a 7-for-7 performance in the UCSB twinbill, to tie for the third-longest, consecutive-hits streak in UCLA history. DiSalvatore hit .682 for the week with 12 RBI, two homers and 11 runs scored, while Donna Kerr tossed 13 shutout frames in three victories with 23 strikeouts, as the Bruins swept both Pac-10 Player and Pitcher of the Week. The only bad news during that run was an injury to Katie Schroeder, which resulted in her missing the rest of the season and taking a medical redshirt year.

UCLA raced its winning streak to 11 on Feb. 26 following a 9-1, six-inning victory over Texas at the Cathedral City Classic before the Bruin ship hit a bit of rocky seas. The Bruins lost three of their next four contests, including a shocking 3-2 setback at UC Riverside on March 3.

But the ship was back on track after that tough loss, as the Bruins responded with a 13-game winning streak from March 5-April 1 to raise their record to 27-4. Following a gritty, 5-4 win against Fresno State on March 5 in San Diego, UCLA posted four straight shutouts. Doubleheader sweeps of Cal Poly (March 23), UNLV (March 27) and Loyola Marymount (March 28) and another win against Long Beach State on March 26 gave the Bruins a 26-4 record to wrap up non-conference action.

You would have thought the powers that be were pulling an April Fools joke on the Bruins in their Pac-10 opener. First, UCLA watched Washington unveil its national championship banner before a sellout crowd. Then, the Bruins fielded a lineup which was short four starters, Schroeder, Andrea and Monica Harrison and Megan Langenfeld. But behind a sterling pitching effort by Kerr (eight strikeouts, four hits) and a sixth-inning RBI single by Dani Yudin, UCLA spoiled Washington's night with a 1-0 victory to extend its win streak to 13.

Cue a second bump in the road for the Bruins. Rains forced the short-handed Bruins to play 11 innings over two games, as the Huskies won both to claim the series. Then the metaphorical rain cloud remained over the Bruins' heads back home when they were swept by Arizona State (April 9-11). The five-game skid dropped UCLA's record to 27-9 and a 1-5 start to Pac-10 play didn't look promising. Little did the Bruins know they'd lose just twice the rest of the year, closing the season with wins in 23 of their final 25 contests.

First, a three-game sweep at Oregon State (April 16-18), as the Bruins outscored the Beavers 26-8. Then, another three-game sweep at Stanford (April 23-25), with UCLA outscoring the Cardinal 27-

4 and posting two-more, mercy-rule wins to run its season total to 16. Langenfeld was back in the swing of things at that point, going 5-for-7 with four homers and eight RBI at the plate, as well as 1-0 with a save in the circle to earn USA Softball National and Pac-10 Player of the Week honors. The Bruins continued their scoring binge with a sweep of Oregon (April 30-May 2), recording 31 runs in three games and two more, mercy-rule victories to put them one shy of the school record. Andrea Harrison gave the Bruins back-to-back Pac-10 POW's after posting six hits in 11 at-bats with a pair of two-homer contests and eight RBI.

Playing two more tough teams to end the regular season, the Bruins took two-of-three against California (May 7-9), including a dramatic win on May 8. UCLA was no-hit for the first six innings before Julie Burney doubled to break the streak. Following a Kaila Shull walk, B.B. Bates jacked a walk-off, three-run homer to give UCLA a little Bruin Magic and a 3-1 win.

The last weekend of the regular season sent the Bruins to Arizona (May 13-15), in what would prove to be a harbinger of things to come three weeks later. Game one was a classic. The Wildcats came back from a 5-0 deficit with two in the sixth and three in the seventh to force extra innings. But a solo homer by Burney in the top of the eighth gave the Bruins the lead en route to a 6-5 victory. The Wildcats got their revenge with a walk-off win the next evening, but the Bruins bounced back with a 6-4 triumph on May 15 to close the regular season with a 40-11 record and a 14-7 mark in the Pac-10, good for second place in the conference. DiSalvatore would earn her second Pac-10 POW after going 7-for-9 with a homer and four runs batted in.

UCLA earned a No. 5 seed for the NCAA Tournament and hosted the first two rounds at Easton Stadium. The Bruins broke out the bats to start Regional play, blasting five home runs in an 11-4 rout of Saint Mary's on May 21. UCLA was taken to the limit the following afternoon against San Diego State, as the score was tied 3-3 heading into the bottom of the seventh. Cue another dramatic victory, this time with the help of Andrea Harrison, whose high-bouncing ground ball just snuck into the outfield to give the Bruins a 4-3 victory. UCLA closed out the Regional round with a 7-2 triumph over Fresno State on May 23 to advance to Super Regionals against unseeded Louisiana-Lafayette.

The Ragin' Cajuns were no match for the Bruins. Having hit 11 homers the previous weekend, UCLA blasted three in each of the Super Regional contests against Louisiana-Lafayette (May 29-30), winning 10-2 and 10-1. The pair of mercy-rule wins gave the Bruins 20, which set a school record.

UCLA had revenge on its minds on its side of the bracket to open the Women's College World Series. The first opponent was Florida, which had knocked the Bruins out of the WCWS in 2008. Next up would be either Missouri, which bested UCLA in the 2009 Super Regionals at Easton Stadium, or Hawai'i, which took out the Bruins in the 2007 Regionals in Westwood.

Against the Gators, the Bruins jumped out to an early 3-0 lead thanks to a three-run homer by Andrea Harrison in the first. Florida came back to tie things up at three in the bottom of the second, but UCLA would score 13 unanswered runs to blast the Gators 16-3 and give the Bruins their 21st, mercy-rule victory of the year. A three-run third and a single run in the fourth made it 7-3, before the Bruins scored nine runs in the sixth to bring out the mercy rule. Harrison left the yard twice, while Langenfeld hit her first homer in Oklahoma City and pitched 4 2/3 innings of scoreless relief to earn the win. UCLA scored the most runs ever in a Bruin postseason contest, and with three more long balls, broke the school record for homers in a single season.

The Bruins had a three-homer contest for the seventh-straight postseason game the next evening against Hawai'i to post a 5-2 victory. Samantha Camuso hit a two-run homer in the second and an RBI single by DiSalvatore made it 3-0. The Bruins extended their advantage to 4-0 on a solo shot by Burney in the fourth. After Hawai'i got two back in the bottom of the fourth, a solo shot by Andrea Harrison gave the Bruins a three-run lead. Langenfeld struck out six in a complete-game victory, as UCLA advanced to the WCWS semifinals against Georgia.

Just as they did for the previous two games in Oklahoma City, the Bruins got on the board first, scoring twice in the second on a two-run homer by Bates. In the third, UCLA set a Series record with its eighth home run on a three-run shot by Camuso. Georgia would score twice in the fourth, but it wouldn't be enough, as Langenfeld picked up her third win of the WCWS, striking out three in a two-hit performance, to put the Bruins into the Championship Series against Pac-10 rival Arizona.

Game one of the Finals was an instant classic. Arizona crossed home plate first with a run in the top of the opening inning, but the Bruins tied it back up in the bottom half on a solo shot by Langenfeld. In the third, the Bruins forged ahead when Langenfeld's bloop single plated DiSalvatore to make it 2-1. Arizona tied it up at two in the fifth, but Monica Harrison came up with a clutch hit in the bottom of the sixth to give UCLA a 4-2 advantage. With two out and two on, Harrison stroked a double that hit the left-field foul line to score a pair and put the Bruins up by two.

The Bruins' lead would be short-lived though, as Arizona connected for a two-run homer and a solo shot on consecutive at-bats to take a 5-4 edge. The Bruins were down to their last out in the bottom of the seventh, but again got a little bit of Bruin Magic. Yudin sent a fly ball to left-center, which was misplayed by the two Wildcat outfielders, giving the Bruins a runner at second. With Marti Reed running for Yudin, Arizona walked Burney intentionally to face Shull, who made them pay, as she doubled off the right-field wall to even the score at five.

The Wildcats left the bases loaded in the top of the eighth and the Bruins would take advantage in the bottom half, as Langenfeld hit a 1-0 pitch over the center-field fence with two outs to give UCLA a thrilling 6-5 victory.

The next evening, the Bruins scored two in the first and never looked back. With one on, Langenfeld launched her fourth homer in Oklahoma City, a new World Series record. Langenfeld held that record by herself for all but one inning, as Andrea Harrison hit a grand slam one inning later to extend the Bruins' advantage to 6-0. On Harrison's fourth homer of the Series, she also set a new record for runs batted in with 11.

Arizona trimmed its deficit to 7-4, but a seven-run inning in the fifth for the Bruins put the game out of reach. UCLA sent 12 to the plate, with a three-run homer by Burney and a two-run double by Monica Harrison highlighting the inning. In the sixth, the Bruins scored their 15th run on Camuso's eighth home run of the postseason. In relief of Aleah Macon, Kerr would get the final outs of the game to give the Bruins their 12th national title.

The 14 home runs by the Bruins were a World Series record, doubling the previous best of seven. Langenfeld was named the WCWS' Most Outstanding Player, while Camuso and Andrea Harrison were also named to the All-Tournament Team. Along with their 108 home runs, the Bruins also set school, single-season records in slugging percentage (.602), on base percentage (.432) and walks (244).

The Pacific-10 Conference continues to uphold its tradition as the "Conference of Champions" ®, claiming an incredible 171 NCAA team titles over the past 20 years, including eight in 2009-10, averaging nearly nine championships per academic year. Even more impressive has been the breadth of the Pac-10's success, with championships coming in 26 different men's and women's sports. The Pac-10 has led the nation in NCAA Championships in 44 of the last 50 years and finished second five times.

Spanning nearly a century of outstanding athletics achievements, the Pac-10 has captured 390 NCAA titles (267 men's, 123 women's), far outdistancing the runner-up Big Ten Conference's 226 titles.

The Conference's reputation is further proven in the annual Learfield Sports Directors' Cup competition, the prestigious award that honors the best overall collegiate athletics programs in the country. STANFORD won its unprecedented 16th-consecutive Directors' Cup in 2009-10, continuing its remarkable run. Seven of the top 25 Division I programs were Pac-10 member institutions: No. 1 STANFORD, No. 4 UCLA, No. 9 CALIFORNIA, No. 13 USC, No. 14 OREGON, No. 22 ARIZONA STATE and No. 24 WASHINGTON. The Pac-10's three teams in the top 10 was second-most for any conference, behind only the ACC (4), while the Big 12, Big Ten and SEC had one team each.

It was also a historic year for the Pac-10 off the field. After 26 years as Pac-10 Commissioner, Tom Hansen retired from his position and on July 1, 2009, was succeeded by Larry Scott, the former Chairman and CEO of the WTA Tour, a 2008 TIME Magazine Best Sports Executive and a former All-American tennis player at Harvard University. Eleven months later, the Conference announced the expansion of the Pac-10 to include Colorado (2012) and Utah (2011), the first time since 1978 the league has invited new members.

The Pac-10 captured eight NCAA titles in 2009-10, tying with the ACC for the most in the country. Of the eight titles, Pac-10 teams claimed a nation's-best five women's NCAA crowns. California also captured the IRA National Championship in men's rowing, the Pac-10's ninth national title of the season.

OREGON, STANFORD, UCLA and USC each claimed NCAA team titles in the last academic year. The Trojans were the only team in the nation to win three crowns, while the Cardinal and Bruins joined USC as three of only nine institutions to claim multiple crowns.

The Trojans swept the men's and women's water polo titles, also adding the men's tennis crown to its trophy case. The Cardinal claimed the top spot in men's volleyball and women's tennis, while the Bruins took home titles in women's gymnastics and softball. The Pac-10 also had runners-up in 14 NCAA Championship events: men's cross country (OREGON), women's soccer (STANFORD), men's water polo (UCLA), women's basketball (STANFORD), men's gymnastics (STANFORD), men's swimming (CALIFORNIA), women's swimming (STANFORD), men's indoor track and field (OREGON), baseball (UCLA), softball (ARIZONA), women's golf (USC), women's rowing (CALIFORNIA), women's outdoor track and field (OREGON) and women's water polo (STANFORD). Overall, the Conference had 33 teams finish in the top four at 20 NCAA Championship events.

Participation in the postseason was a common occurrence for the Pac-10 in 2009-10. Of the 22 sports sponsored by the Conference, 19 witnessed at least half its teams participating in NCAA or other postseason action. The men sent 64 of a possible 90 teams into the postseason (71.1 percent), while the women sent 73 of a possible 99 teams (73.7 percent).

On the men's side, Pac-10 members have won 267 NCAA team championships, far ahead of the 200 claimed by the runner-up Big Ten. Men's NCAA crowns have come at a phenomenal rate for the Pac-10 - 15 basketball titles by five schools (more than any other conference), 51 tennis titles, 44 outdoor track & field crowns, and 26 baseball titles. Pac-10 members have won 24 of the last 41 NCAA titles in volleyball, 36 of the last 51 in water polo, and 21 in swimming & diving national championships.

Individually, the Conference has produced an impressive number of NCAA men's individual champions, as well, boasting 1,171 individual crowns.

On the women's side, the story is much the same. Since the NCAA began conducting women's championships 29 years ago, Pac-10 members have claimed at least four national titles in a single season on 21 occasions, including 2009-10. Overall, the Pac-10 has captured 123 NCAA women's titles, easily outdistancing the SEC, which is second with 74. Pac-10 members have dominated a number of sports, winning 22 softball titles, 19 tennis crowns, 13 of the last 20 volleyball titles, 13 of the last 21 trophies in golf, and 11 in swimming & diving.

Pac-10 women student-athletes shine nationally on an individual basis, as well, having captured an unmatched 527 NCAA individual crowns, an average of nearly 19 championships per season.

The roots of the Pacific-10 Conference date back over 90 years to December 2, 1915, when the Pacific Coast Conference (PCC) was founded at a meeting at the Oregon Hotel in Portland, Ore. The original membership consisted of four schools - the University of California at Berkeley, the University of Washington, the University of Oregon, and Oregon State College (now Oregon State University). All still are charter members of the Conference.

Pacific Coast Conference play began in 1916 and, one year later, Washington State College (now Washington State University) was accepted into the league, with Stanford University following in 1918.

In 1922, the PCC expanded to eight teams with the admission of the University of Southern California (USC) and the University of Idaho. In 1924, the University of Montana joined the league roster, and in 1928, the PCC grew to 10 members with the addition of UCLA.

The Pacific Coast Conference competed as a 10-member league until 1950, with the exception of 1943-45 when World War II curtailed intercollegiate athletic competition to a minimum. During that time, the league's first commissioner was named. Edwin N. Atherton was Commissioner in 1940 and was succeeded by Victor O. Schmidt in 1944. In 1950, Montana resigned from the Conference and joined the Mountain States Conference. The PCC continued as a nine-team Conference through 1958.

In 1959, the PCC was dissolved and the Athletic Associates of Western Universities was formed and Thomas J. Hamilton was appointed Commissioner of the new league. The original AAWU membership included California, Stanford, Southern California, UCLA and Washington. Washington State joined the membership in 1962, while Oregon and Oregon State joined in 1964. Under Hamilton's watch, the name Pacific-8 Conference was adopted in 1968. In 1971, Wiles Hallock took over as Commissioner of the Pac-8.

Ten years later, on July 1, 1978, the University of Arizona and Arizona State University were admitted to the league and the Pacific-10 Conference became a reality. In 1986-87, the league took on a new look, expanding to include 10 women's sports. Thomas C. Hansen was named the Commissioner of the Pac-10 in 1983, a role he would hold for 26 years until 2009. Hansen was succeeded by current Commissioner Larry Scott, who took on the new role in July 2009.

Currently, the Pac-10 sponsors 11 men's sports and 11 women's sports. Additionally, the Conference is a member of the Mountain Pacific Sports Federation (MPSF) in four other men's sports and three women's sports.

The University of Colorado accepted an invitation to join the Pac-10 on June 11, 2010, and on June 17, 2010, the University of Utah agreed to join the Conference. The Buffaloes and Utes will become the 11th and 12th members of the Conference, the first additions to the league since 1978.

The Pacific-10 Conference offices are located 25 miles east of San Francisco in Walnut Creek, Calif.

Four years prior to the start of the NCAA, UCLA softball brought home its first national championship in 1978 under the umbrella of the Association of Intercollegiate Athletics for Women (AIAW). After recording just 44 victories in their first three years of existence, the Bruins went 31-3 in 1978, starting and finishing the season strong with victories in 14 of their first 15 and 17 of their last 18. During the regular season, UCLA posted a 22-2 record, outscoring its opponents 101-17.

In her last season in her #6 UCLA uniform, future Hall of Fame coach Sue Enquist led the Bruins in hitting with a .391 batting average. The All-American also finished first on the squad with seven doubles and tied for the team lead with two home runs. Sophomore Kathy Maurice, an All-Region honoree, added seven triples and also belted two home runs. In all, five Bruins earned All-Region honors in 1978, with Enquist and Maurice joined by senior Lisa Richardson, junior Janice Wright and sophomore Gail Edson. Richardson and freshman Jan Jeffers keyed UCLA's success in the circle, as the Bruins posted a team earned run average of 0.30. Richardson led the team with a 0.19 ERA and 16 wins, while Jeffers has a 15-3 mark, a 0.43 ERA and a team-leading 91 strikeouts.

In the postseason, UCLA won its first three at Western Regionals, but all were 1-0 games with a pair going extra innings. The 28 innings in three days caught up to the Bruins on Championship Day against Cal Poly Pomona, losing 6-5 in the first contest. In game two in yet another 1-0 game, the Bruins advanced to the College World Series with an eight-inning victory over the Broncos. Cal Poly Pomona proved to be the Bruins' toughest test en route to the title, as UCLA outscored its opponents 18-0 in the season-ending tournament. In the final game against Northern Colorado, the Bruins prevailed 3-0 to claim their first national title. Jeffers earned three of the wins at Nationals, while Richardson picked up the other two. Enquist posted a tournament-best .421 batting average, while Edson hit .412 with a tournament-best nine RBI.

Having won the most NCAA softball championships, it was only fitting that the Bruins won the sport's first title under the umbrella of the National Collegiate Athletic Association in 1982. UCLA posted a 33-7-2 overall record, but were unable to get past Cal State Fullerton for the WCAA title (Western Collegiate Athletic Association), finishing second with a 15-4-1 mark.

First and foremost, pitching was the main catalyst for the Bruins, allowing just 18 runs for the entire season. UCLA gave up more than one run in a game just five times and 27 of its 33 victories came by shutout. During a 14-game winning streak from March 9 to April 16, the Bruins didn't allow a single run. All four pitchers on the UCLA staff appeared in between 10 and 15 games, keeping everybody fresh. A pair of freshmen keyed the Bruins' success, as All-American Tracy Compton had a team-low ERA of 0.21 and a 10-2 record, while Debbie Doom went 11-2 with a 0.31 ERA and a team-best 193 strikeouts. The upperclassmen did their part too. Senior Karen Andrews had 49 strikeouts, a 0.44 earned run average and a 6-2 record, while junior Lori Warkentin was 6-1 with a 0.25 ERA and 55 strikeouts. The pitching picked up the offensive attack, which went the entire season without a home run. Junior Dot Richardson led the Bruins with a .328 batting average en route to All-American honors, while All-American senior Gina Vecchione and sophomore Barbara Young tied for the team lead with 12 RBI.

In the postseason, the Bruins gave up just one run in seven victories to sweep through the competition. After easily dispatching of Wyoming at their home Regional, the Bruins came out on top in four straight, one-run games at the Women's College World Series, including a 1-0 victory over Cal State Fullerton. In the championship game, Doom struck out 12 and despite getting just one hit, the Bruins scored twice in the eighth inning to defeat Fresno State 2-0. Doom was named the Most Valuable Player of the College World Series, pitching 41.2 of the Bruins' 45 innings and striking out 62.

Behind the outstanding pitching duo of Tracy Compton and Debbie Doom, the 1984 Bruins won their third National Championship and their second NCAA title in three seasons. Finishing with a record of 45-6-1, UCLA claimed the WCAA title with a 7-3 conference record. Bruin hurlers gave up just 20 runs during the season and half of those runs were unearned. After dropping the first game of the season, UCLA won 21 in a row, outscoring its opponents 59-4 during the streak and tossing 18 shutouts. In all, 39 of the Bruins' 45 victories came by way of the shutout.

Doom spelled just that for opposing hitters, as the junior went 24-3 with a 0.10 earned run average and 282 strikeouts. Compton was equally as good, going 20-3 with a 0.29 ERA and 159 strikeouts. Both pitchers received All-American honors, two of four Bruins to earn the accolade that season. The other two All-Americans were on the hitting side. Freshman Tricia Mang led the team with a .376 average, seven home runs and 19 runs batted in. Senior Sheila Cornell also hit above .300 at .309, belting two homers and drawing 26 walks, almost three times as many as the next closest player.

UCLA swept past Arizona State in its home Regional, shutting out the Sun Devils in both games to advance to the Women's College World Series. After dispatching Utah State and Northwestern, the Bruins dropped their first game of the tournament, 2-0 to defending champion Texas A&M. UCLA rebounded with a 1-0 blanking of Nebraska to reach the final, but would need to beat Texas A&M twice to claim the championship. In game one, Mang drove in Mary Ricks for the contest's only run to take down the Aggies 1-0 and force a winner-take-all title matchup. Doom was in command in the circle, striking out 15 in the championship game. But it wasn't until the bottom of the 13th inning when the game was settled, as Mang hit a one-out homer to left field to give the Bruins the championship. Doom, Mang, Leslie Rover and Jennifer Simm were named to the All-Tournament Team.

Another extra-inning game and another walk-off win gave the Bruins back-to-back NCAA Championships in 1985. Recording its third-straight, 40-win season, UCLA began the year with 12 straight triumphs, and after its first setback of the year, reeled off another 11 victories in a row. The Bruins didn't allow more than three runs in a game and gave up more than one just five times.

As was the case during their 1984 championship run, it was the two-headed pitching monster of seniors Tracy Compton and Debbie Doom that propelled the Bruins. Terrorizing opposing hitters since their freshmen seasons, the duo combined for a 0.18 earned run average and 406 strikeouts. Compton led the nation and posted the second-best ERA in NCAA history at 0.08, giving up only two earned runs in 167 1/3 innings while striking out 172. She won 20 games, as did Doom, who struck out 232 with a 0.27 ERA in 180 innings. Both earned All-American accolades for the third straight season.

UCLA was on cruise control down the stretch, but faltered in its final three games of the regular season and then dropped the first game of Regional play to Pacific. The Bruins bounced back though with a pair of shutout victories over the Tigers to advance to the College World Series. UCLA never scored more than three runs in a game in the World Series, but didn't need to thanks to Compton and Doom's pitching. However, the Bruins had to fight out of the loser's bracket following a second-game loss to Cal State Fullerton. With its backs against the wall, UCLA won the next three, including a revenge win over the Titans, and advanced to the title game against Nebraska. The Bruins jumped out to a 1-0 lead in the second behind an RBI single by Chris Olivie, but Nebraska tied it in the fourth. The game went to extras, and in the bottom of the ninth, Janet Pinneau drove home the game-winner on a single to plate Leslie Rover for the championship. Compton, Doom, Olivie and Rover were each named to the College World Series All-Tournament Team.

After falling in the championship game to Texas A&M a year prior, the UCLA softball team brought the NCAA softball title back to Westwood in 1988. In the second year of the Pacific-10 Conference's existence, the Bruins won the league title with a 15-3 record and posted a 53-8 overall mark. UCLA had three separate winning streaks of at least eight games, including 16 in a row from March 21 to April 4. During that streak, the Bruins outscored their opponents 88-6, posting 10 shutouts along the way.

UCLA had four players hit over .300 on the season, with freshman Lorraine Maynez's .337 average leading the way. She also topped the team with 10 doubles and seven triples and was second with 32 runs scored and 29 RBI. Junior Janice Parks led the power department with six homers and 40 RBI, hitting .322. Both players earned first-team All-American honors, with Parks' accolade being her second award in as many seasons. In the circle, sophomore All-American Lisa Longaker handled the bulk of the duties, posting a nation-best 0.30 earned run average, a 31-4 record and 240 strikeouts. Junior Samantha Ford backed up Longaker with an 18-4 mark and a 0.87 ERA.

The NCAA Tournament began with a two-game sweep of Cal State Fullerton in Regional play. For the first time, the Women's College World Series was held in California, as the Bruins traveled north to Sunnyvale. UCLA won its first four games by a 16-2 margin to advance to the championship against Fresno State. Needing to win a pair from the Bruins, the Bulldogs took the first step with a 2-1 victory in game one, setting up a winner-take-all showdown for the title. As she had done all season, Longaker was masterful in the circle, hurling her 23rd shutout of the year. The Bruins gave her the only offense she needed in the fourth inning when Parks doubled in Stacy Sunny and Maynez to put UCLA on top 2-0. The Bruins added an insurance run in the seventh on a Shanna Flynn RBI single and won the sport's fifth national championship. Flynn, Longaker and Sunny were joined on the All-Tournament Team by Kerry Dienelt and Missy Phillips.

The Bruins made it back-to-back NCAA Championships in 1989, again besting Fresno State in the title game. Losing just four games during the season with 48 wins, the Bruins steamrolled through the Pac-10 with a league-best 18-2 record. UCLA had winning streaks of eight, 11 and 13, to go along with a season-ending streak of 16. The Bruins didn't allow a run until the ninth game of the season (88 innings) and had shutouts in their first 10 wins. In all, UCLA hurlers tossed 34 shutouts and gave up only 30 runs in 52 games.

In her first and only season in Westwood, freshman Tiffany Boyd led the nation with a 0.24 earned run average, going 19-4 with 172 strikeouts in the circle. Although not qualifying for the NCAA's top spot, senior Samantha Ford led the staff with a 0.14 ERA and an 11-1 record, while junior Lisa Longaker was 18-1 with a 0.64 ERA. In a rarity for UCLA, no pitchers earned All-American honors, but two hitters did in senior Janice Parks and sophomore Shanna Flynn. Parks led the team with a .426 batting average, 36 runs batted in, seven triples, 10 doubles and two home runs, while Flynn hit .353 with 10 RBI and a team-best seven stolen bases. Although they hit only four home runs, the Bruins batted at a .288 clip and still manufactured 209 runs during the season.

Yet another postseason began with an easy two-game sweep in Regional play, this time of Long Beach State, as the Bruins traveled to Sunnyvale for the second straight College World Series held in Northern California. UCLA ran the table in the first four games of the World Series and had a familiar foe in Fresno State in the championship game. For the second straight year, the Bulldogs were outdueled by a Bruin hurler, as Boyd held Fresno State to three hits while striking out six in the title tilt. Parks had three hits in the final game and Lorraine Maynez's RBI single to score Julie Poulos in the third inning was the only run the Bruins needed for their sixth national title. Boyd, Maynez and Parks were each honored on the College World Series All-Tournament Team and were joined by Kerry Dienelt and Missy Phillips.

Another NCAA Championship. Another title-game victory over Fresno State. 1990 would end the same way the previous two seasons ended, as the Bruins won the sport's seventh national title. UCLA cracked the 60-win mark for the first time in school history with a 62-7 record and claimed its third straight Pac-10 title with a 17-2 mark. During a 22-game winning streak from March 31 to May 3, the Bruins outscored their opponents 68-3 and did not allow a run for 122 straight innings over 13 games at one point.

As usual, it was the Bruin pitching that keyed the team's success, throwing 46 shutouts and posting a team ERA of 0.42. Four pitchers appeared in at least 15 games and three of them were freshmen, led by All-American Lisa Fernandez's 0.25 ERA and 11-1 record in just 83 innings. Newcomer Heather Compton went 18-1 with a 0.36 ERA and freshman DeeDee Weiman was 13-3 with a 0.64 ERA. The lone upperclassman of the staff was senior All-American Lisa Longaker, who led the team with 20 wins and had a 0.40 ERA. At the plate, sophomore All-American Yvonne Gutierrez had a team-best .384 average with 28 RBI, while Fernandez batted .310 with 22 RBI.

The Bruins quickly dispatched of Northern Iowa in Regional play and won their first four contests at the initial Women's College World Series to be played in Oklahoma City. For the third straight season, Fresno State stood in the way of UCLA and a national championship. Attempting to avenge their previous two losses, the Bulldogs won a 1-0 elimination game against the Bruins to force a winner-take-all final. UCLA jumped out to an early 1-0 lead with a first-inning run when Shanna Flynn scored on a wild pitch. Then in the third inning, a downpour caused the game to be suspended and resume the following afternoon. The Bruins came out the next day and immediately tacked on an insurance run in the bottom of the third when Kerry Dienelt drove in Michelle Montgomery. Compton took care of the rest, one-hitting the Bulldogs to finish off the three-peat. Dienelt, Fernandez, Flynn, Gutierrez and Longaker were named to the All-Tournament Team.

After Arizona spoiled UCLA's chances of four consecutive NCAA Championships in 1991, the Bruins exacted revenge the following year with a title-game victory against their Pac-10 rival. UCLA went 54-2 overall, but both losses came at the hands of Arizona, allowing the Wildcats to end the Bruins' run of four straight Pac-10 titles. UCLA started the season with 33 straight wins, crushing opponents by a 166-17 margin. Following their first loss to Arizona, the Bruins ran off another 14-game win streak, blanking foes in 10 of the victories. After falling in the regular-season finale against the Wildcats, UCLA finished the year with an undefeated postseason, including a title-game win over Arizona.

Junior Lisa Fernandez was masterful both in the circle and at the plate. She posted a nation-best ERA of 0.14 and was undefeated on the year at 29-0. The All-American and Honda Award winner was outstanding at the plate also, hitting .401 with 29 runs batted in. Not to be forgotten in the circle were junior hurlers DeeDee Weiman (11-1, 0.51 ERA) and Heather Compton (14-1, 0.67 ERA), who combined for 16 shutouts and 274 strikeouts. Senior All-American Yvonne Gutierrez was the powerful stick in the lineup, leading the club with a .406 average, 11 home runs and 58 RBI. Her 11 home runs tied for the NCAA lead. Fernandez and Gutierrez were joined on the All-American team by freshmen Joanne Alchin (.323 BA) and Kathi Evans (.363). As a team, the Bruins hit .304 and had five players bat above the .300 mark.

The Bruins skated past Utah in the Regional round and then blew away their first four opponents in the College World Series, winning by a combined score of 29-1 and recording two mercy-rule victories. In the championship game, it was a pitcher's duel between Fernandez and Arizona's Debby Day. The duo matched zeroes on the board until the bottom of the seventh inning. Gutierrez led off the frame with a single, moved over to second on a sacrifice by Jennifer Brundage and came home on Jenny Brewster's walk-off home run to left. Fernandez, who finished the year with 65 straight scoreless innings, was named to the All-Tournament Team along with Evans, Gutierrez and Kelly Inouye.

The winningest team in UCLA softball history set school records for runs scored (429), home runs (95) and total bases (1042), as the Bruins claimed the school's ninth national championship. UCLA posted a 63-6 record, defeating all its non-conference opponents while winning its sixth Pac-10 title with a 22-6 mark. The Bruins won a school-record 35 games to start the season, averaging more than 6.5 runs per game.

Recording one of the best individual years in the history of the sport, sophomore Stacey Nuveman shattered the UCLA single-season home run record and led the nation with 31 bombs and 91 runs batted in, also batting .446. Her 31 homers are the second-best, single-season total in NCAA history, while her 91 RBI are seventh-best. The national leaders didn't stop with Nuveman though, as junior Christie Ambrosi was atop the NCAA with 103 hits, posting a .429 average and a team-leading 25 stolen bases. Seven different players hit over .300 for the Bruins, who batted .339 as a team. In the circle, sophomore Courtney Dale and freshman Amanda Freed combined for 60 of the team's 63 victories. Dale was 33-1 with a 0.98 ERA and 218 strikeouts, while Freed was 27-4 with a 0.96 ERA and 187 strikeouts. A school-record six players were named All-Americans. Ambrosi, Dale, Freed and Nuveman were joined on the team by juniors Julie Adams and Julie Marshall.

The postseason was a clean sweep for the Bruins, going 4-0 in Regional play and 4-0 at the Women's College World Series. UCLA outscored its opponents 38-5 during Regionals, but things were considerably closer in the World Series, as all four contests were one-run games with two going extra innings. In the championship game against Washington, the Bruins jumped on the Huskies with two in the first and one in the second. Adams singled in a pair to put UCLA up 2-0 and Dale led off the second with a solo homer to make it a three-run game. Washington rallied and had the tying run on base in the final inning, but Freed retired the final batter to make the Bruins victorious. Adams was named Most Outstanding Player of the World Series and was joined on the All-Tournament Team by Ambrosi, Dale and Freed.

Behind one of the best pitching performances in College World Series championship game history, the Bruins won their 10th national title in 2003. Sporting a record of 54-7, UCLA had four first-team All-Americans in seniors Tairia Mims and Natasha Watley and juniors Keira Goerl and Claire Sua. On offense, five players hit above .300, led by Watley's .481 average. Leading the nation with 102 hits, Watley, who went on to win the Honda-Broderick Cup, added 10 home runs, 53 runs batted in and a team-best 35 stolen bases. Mims was the top power hitter with 22 homers and 70 RBI, hitting .449. Goerl led the nation in wins with 40, posting a 0.63 earned run average and 342 strikeouts.

After a perfect run through Regional play, UCLA went extra innings in its first College World Series game with California, but fell into the loser's bracket with a 7-3, 10-inning loss. Battling back, the Bruins beat Louisiana-Lafayette and Washington to advance to the semifinals against Texas. Needing to defeat the Longhorns twice to move on to the championship game, the Bruins shutout Texas 3-0 behind a two-hitter by Goerl. In the deciding matchup with Texas, the Bruins fell behind on an unearned run in the first and were down to their last out until a seventh-inning rally propelled them into the championship game. With two outs and Monique Mejia at second, Watley tied the game with a single and moved to second on the throw home. Caitlin Benyi completed the comeback with a single through the right side to win it 2-1. In the title game against California, Goerl didn't allow a hit through the first eight innings, but UCLA was also held in check on offense keeping the game scoreless. In the top of the ninth, Stephanie Ramos led off with a double and scored the go-ahead run on an RBI single by Toria Auelua. Still working on her no-hitter, Goerl retired the Golden Bears 1-2-3 in the ninth to send the Bruins to victory. Goerl was named Most Outstanding Player and her title game no-hitter was selected as one of the Top 25 Defining Moments in NCAA History during the NCAA's 100th anniversary in 2006. Mims and Watley also earned All-College World Series Tournament honors.

The Bruins made it back-to-back NCAA titles in 2004, hoisting the school's 11th national championship trophy in softball. UCLA had a 47-9 record, winning its first 25 games and holding a 27-1 mark heading into league play. Despite struggling to a 12-8 record and a fourth-place finish in conference action, the Bruins turned it on at the end of the regular season, winning their final five contests. Adding in a perfect 8-0 record in the postseason, UCLA won its final 13 games.

Sophomore All-American Caitlin Benyi led the country with 24 home runs, adding 43 runs batted in and a .379 batting average. Freshman Jodie Legaspi was second on the team with a .371 average, seven homers and 35 runs batted in, while senior Stephanie Ramos hit .356 with 12 homers and 31 RBI. In the circle, All-American Keira Goerl closed her career with an outstanding senior season, going 31-7 with a 1.02 ERA and 276 strikeouts. Freshman Lisa Dodd recorded a team-low earned run average of 0.79 with a 15-2 record in 115 2/3 innings.

After going a perfect 4-0 and outscoring their opponents 22-2 during Regional play, the Bruins continued their offensive prowess with an 8-2 victory against Stanford in the opening game of the College World Series. After downing LSU, the Bruins were taken to extra innings by Stanford in an elimination game for the Cardinal. Tied 1-1 going into the top of the 12th, UCLA scored twice on RBI doubles by Dodd and Ramos to go ahead 3-1. Goerl finished off Stanford in the bottom of the inning to send the Bruins to the title game against California for the second straight year. The Golden Bears jumped out to an early lead with a first-inning run and maintained it until the Bruins rallied in the fifth. Claire Sua led off with a homer and the Bruins continued the rally, putting runners at third and second with two outs. Kristen Dedmon came off the bench and got a big pinch-hit single up the middle to plate both runners and put UCLA up 3-1. Goerl held Cal off the scoreboard for the rest of the game to send the Bruins to the repeat title. Benyi, Dodd, Goerl and Legaspi were named to the All-CWS Tournament Team.

#16 Lisa Fernandez • Retired April 22, 1995

Lisa Fernandez's #16 jersey was the first number retired by the UCLA softball program in a ceremony prior to a doubleheader against California on April 22, 1995.

Fernandez, who enters her 13th year as an assistant coach for the Bruins in 2011, played for UCLA from 1990-93, earning four, first-team All-American honors, four All-College World Series selections, three Pac-10 Player of the Year accolades and three Honda Awards. In 1993, she became the first softball player to win the prestigious Honda-Broderick Cup, awarded to the most outstanding collegiate female athlete in the nation.

As a senior in 1993, Fernandez led the country in both batting average (.510) and earned run average (0.25). Fernandez posted a 29-0 mark as a junior, a year in which she had a 0.14 ERA, the lowest mark by any player since that 1992 season. Fernandez also recorded a 42-game winning streak (Feb. 5, 1992-Apr. 4, 1993), the second-longest winning streak in softball history. Her career .930 winning percentage (93-7) and 0.22 earned run average rank her second in NCAA history. Fernandez, who hurled 11 career no-hitters, ranks in the UCLA Top 10 in numerous offensive and pitching categories. On the hitting charts, she is sixth in batting average (.382) and fourth in hits (287), while pitching-wise she is fourth in strikeouts (784). Fernandez is also tops at UCLA in shutouts with 74, which places her ninth in the NCAA annals.

An eight-time ASA All-American, Fernandez was a member of the U.S. National Team from 1990-2008 and won Olympic gold medals with Team USA in 1996, 2000 and 2004. Fernandez was also named ASA/USA Softball Female Athlete of the Year in 1999 and was enshrined in the UCLA Hall of Fame in 2003.

#1 Dot Richardson • Retired May 1, 1999

One of the most recognizable names and faces in softball, Dot Richardson's #1 UCLA softball jersey was retired in a pre-game ceremony on May 1, 1999 prior to a doubleheader against Oregon.

Richardson played for the Bruins from 1981-83 and was a member of UCLA's 1982 NCAA Championship team. She led the Bruins in hits and batting average each season and was named an All-American at the conclusion of those three years, earning first-team honors as a junior and senior. Richardson hit above .300 all three years, including a career-best .379 average in her first season in Westwood in 1981. She posted a marvelous walk-to-strikeout ratio, drawing 73 walks to just 16 strikeouts in three campaigns. Richardson was also named to the All-College World Series Team in 1982 and 1983 and was honored as the NCAA's Player of the Decade for the 1980's.

A 14-time Amateur Softball Association (ASA) All-American Selection, Richardson also earned seven ASA Best Defensive Player honors and three ASA National Championship Most Valuable Player awards. A member of the USA National Team program from 1979-2000, Richardson won a gold medal with the 1996 U.S. Olympic Team as a shortstop and was the second baseman on the gold-medal winning 2000 United States squad. Following the 1996 season, Richardson was named ASA Sportswoman of the Year.

In 1996, Richardson was the third softball player inducted into UCLA's Hall of Fame. She was also enshrined in the ASA Hall of Fame in 2006. Richardson earned her bachelor's degree in kinesiology from UCLA and is an orthopedic surgeon.

#6 Sue Enquist • Retired April 29, 2000

In a surprise ceremony on April 29, 2000, the #6 jersey of former UCLA All-American and six-time national champion head coach Sue Enquist was retired prior to a game against California.

A four-year letterwinner from 1975-78, Enquist sparked the Bruins to their first National Championship, an AIAW title in 1978, and was the tournament's leading hitter. Enquist led the team in batting average and doubles three times, triples twice and homers and RBI once. An All-American in 1978, she led the Bruins with a .391 average, 45 hits, two home runs and seven doubles. She was also named All-Region in 1976, '77 and '78. Enquist still stands third on UCLA's all-time list with a .401 career average.

A three-time ASA All-American for the Raybestos Brakettes, Enquist helped lead that team to four ASA National Championships (1976-78, 1980). She also enjoyed success as a player at the international level, earning gold medals at three National Sports Festivals, the 1978 World Championships and the 1979 Pan American Games.

Enquist spent just one season away from the Bruins following her collegiate playing career, returning to UCLA as an assistant coach in 1980. She held that position until 1989, when she was elevated to co-head coach. As co-head coach or head coach (1997-2006), Enquist led the Bruins to six NCAA Championships. The first softball player to be inducted into the UCLA Hall of Fame in 1993, the three-time National Coach of the Year was enshrined into the National Fastpitch Coaches Association (NFCA) Hall of Fame in 2006. Enquist retired on Sept. 26, 2006 with an 887-175-1 career record and now works on special projects in the UCLA Athletic Development office.

#2 Gina Vecchione • Retired April 28, 2007

Gina Vecchione became the fourth UCLA softball player to have her jersey retired when she was honored prior to the Bruins' game against Oregon State on April 28, 2007.

As a player in Westwood, Vecchione earned All-Pacific Region honors in the outfield three straight seasons (1980-82) and is one of 27 Bruins to receive the award at least three times. In 1981, she led the Bruins in doubles with 10 and tied for the team lead with three triples and 21 runs batted in. Vecchione again tied for the top spot in triples with four and runs batted in with 12 as a senior. In 1982, Vecchione was a member of the All-College World Series team, as the Bruins won the inaugural NCAA Softball Championship. Following that season, Vecchione received second-team All-American honors.

After the conclusion of her collegiate career, Vecchione played 12 seasons with the Raybestos Brakettes, winners of eight ASA titles and three World titles. Vecchione was named to the ASA All-American team seven times and was the top hitter at the 1988 national tournament with a .444 average. Vecchione earned softball's top honor in 1997 when she became the first UCLA player inducted into the ASA Hall of Fame.

Returning to her alma mater as an assistant coach in 2000 and entering her 12th year in that role in 2011, Vecchione has helped the Bruins reach the NCAA Championship game or series in six of her 11 seasons, winning back-to-back NCAA titles in 2003 and 2004 and another title last year. The Bruins have amassed a 537-121-1 record during her previous 11 campaigns for an .816 winning percentage. During Vecchione's tenure, UCLA has been tabbed as the NFCA Regional Coaching Staff of the Year in 2000 and '04 and NFCA National CSOY in 2004 and '10.

On Jan. 6, 1997, the UCLA softball program entered a new era as Sharron Backus announced her retirement from coaching after 22 years of leading the Bruins.

Considered by many a softball icon, Backus was the guiding force of the top softball program in the nation at UCLA. The third-winningest Division I softball coach in NCAA history, Backus coached 22 seasons, posting an 854-173-3 (.831) lifetime record - all at UCLA. Included in that impressive 22-year slate was a 111-32 (.776) mark in postseason play. Backus and the Bruins brought eight national championship trophies to Westwood (seven NCAA and one AIAW), including an unprecedented three in a row (1988, '89 and '90). The Backus era's trophy case also includes four second-place finishes and three third-place awards. Her UCLA teams played in the College World Series 16 times, and after the Bruins joined the NCAA in 1982, Backus' squads made the College World Series every year they made the NCAA Tournament.

Including her award as the Pacific-10 Conference Coach of the Year in 1995, Backus earned the league's top honor four times in her final seven seasons, also winning in 1990, 1992 and 1993. In 1990, Backus was chosen Northwest Region Coach of the Year by the National Fastpitch Coaches Association (NFCA). She was also selected as the Diamond National and Western Collegiate Athletic Association (WCAA) Coach of the Year in 1984 and 1985.

Backus has been enshrined in several Hall of Fames in recognition of her contributions as a player and coach. The Amateur Softball Association (ASA) Hall of Fame recognized her as one of the most honored players and coaches with induction in 1985. In 1992, the NFCA Hall of Fame welcomed Backus, honoring her tremendous successes in collegiate softball. In 1993, the Women's Sports Foundation Hall of Fame inducted Backus, spotlighting her enormous contributions to women's athletics. And in 2001, Backus was inducted into the UCLA Athletics Hall of Fame in her first year of eligibility.

The Bruin mentor is most noted for her ability to teach the fundamentals. In fact, UCLA did not commit a single error in College World Series play in the championship seasons of 1978, 1982 and 1988. Backus provided solid background in the handling of pitchers such as Debbie Doom, Tracy Compton, Lisa Longaker, Lisa Fernandez and DeeDee Weiman and hitters such as Fernandez, Janice Parks, Yvonne Gutierrez and Jennifer Brundage. Backus coached the first softball player to win the most prestigious honor in women's athletics, as Fernandez won the 1993 Honda-Broderick Cup, which recognized her as the most outstanding collegiate female athlete in all sports during the 1992-93 season.

UCLA's strength in fundamentals evolved from Backus' legendary ASA playing career. The Cal State Fullerton graduate was instrumental in seven ASA titles (1961, 1965 and 1971-75) and two international championships (1972 and 1974). A star shortstop, Backus was named to numerous ASA All-America teams during her playing career. She also played professional softball for the Connecticut Falcons from 1976-78, when the team won three World Championships.

A native of Anaheim and a resident of Fullerton, Backus continued her coaching duties in the professional ranks, coaching in the Women's Pro Softball League (WPSL). In 1998, she was named WPSL Coach of the Year after leading the Orlando Wahoos to the league championship. Backus also went on to serve as the Director of Player Personnel for the WPSL. She earned a bachelor's degree in Physical Education in 1969 from Cal State Fullerton, along with her teaching credential, which enabled her to teach at Western High School before coming to UCLA.

After spending 31 years as a player, assistant coach or head coach in the UCLA softball program, Sue Enquist announced her retirement from coaching on Sept. 26, 2006. Enquist currently works on special projects in the UCLA Athletic Development office.

Enquist spent 10 years as the Bruins' head coach, taking over that role for the 1997 season following the retirement of longtime mentor Sharron Backus. Enquist compiled a 484-119-1 (.802) from 1997-2006 and an overall mark of 887-175-1 (.835) in 18 seasons of coaching, serving as co-head coaches with Backus from 1989-96. Enquist's .835 winning percentage puts her at the top of the NCAA charts for Division I head softball coaches. As co-head and head coach, Enquist led the Bruins to six national championships (1989, 1990, 1992, 1999, 2003, 2004) and seven Pacific-10 Conference titles. Before being named co-head coach, Enquist spent nine seasons (1980-88) as an assistant under Backus, with the Bruins posting a record of 352-85-3 (.803).

A three-time Pac-10 Coach of the Year (1995, 1999, 2006), Enquist was named National Coach of the Year by the National Fastpitch Coaches Association (NFCA) three times in 1992, 1995 and 2004. She also led coaching staffs that were named NFCA Regional Coaching Staff of the Year in 2000 and NFCA National Coaching Staff of the Year in 2004. Enquist coached 60 All-Americans during her 18 seasons as head coach and seven Honda Award winners, including Natasha Watley, who became the second softball player in UCLA history in 2003 to earn the Honda-Broderick Cup, given to the most outstanding collegiate female athlete in all sports.

Enquist was either a player or coach on 11 UCLA national championship teams, including the program's first as a member of the Association of Intercollegiate Athletics for Women (AIAW) in 1978 when she was the tournament's leading hitter. When the NCAA brought women's sports under its umbrella starting with the 1982 season, the Bruins won the inaugural championship.

As one of eight softball coaches chosen to work with the U.S. National Team, Enquist was involved in the preparation of the gold-medal winning U.S. Olympic Team for the 1996 Summer Games in Atlanta, the inaugural Games for softball as an Olympic sport.

After graduating from San Clemente High School in December of 1974, Enquist went on to play four seasons for Backus from 1975-78. Enquist became the prototypical player for Bruin softball in terms of attitude, desire and will to win. UCLA's first softball All-American, Enquist led the Bruins in batting average and doubles three times, triples twice and homers and runs batted in once. A three-time All-Region selection, Enquist still stands third on UCLA's all-time list with a .401 career batting average. On April 29, 2000, Enquist's No. 6 jersey was immortalized when it became the third number in Bruin softball history to be retired.

A three-time ASA All-American for the Raybestos Brakettes, Enquist helped lead them to four ASA National Championships (1976-78, '80). She also enjoyed success as a player at the international level, earning gold medals at three National Sports Festivals, the 1978 World Championships and the '79 Pan American Games.

Away from the field, Enquist has received numerous honors, including induction into four Hall of Fames. In 1993, she became the first softball player inducted into the UCLA Athletics Hall of Fame. In 2000, Enquist was enshrined into the Capistrano Unified School District Hall of Fame and in 2006, she was inducted into the NFCA Hall of Fame. In June of 2008, Enquist was inducted into the International Women's Sports Hall of Fame. Enquist was recognized with the 2004 C. Vivian Stringer Coaching Award by the United States Sports Academy. The award pays tribute to those who have made significant contributions to sports and is named in honor of C. Vivian Stringer, the Women's Basketball Hall of Famer who is the only coach to take three different schools to the Final Four.

A pioneer in softball technology, Enquist invented the SB401 training bat and the Kwik-Slide Sliding Wrap. She also completed a series of 20 instructional videos, released in 2003, and partnered with former UCLA and Major League Baseball catcher Don Slaught on the RightViewPro hitting instructional software.

Enquist earned her bachelor's degree in kinesiology from UCLA in 1980. A native of San Clemente, Enquist surfed professionally from '79-'81 and continues to be an avid surfer. She currently resides in Huntington Beach.

Joanne Alchin - Australia

Kerry Dienelt - Australia

Since the sport of softball became an Olympic sport for the 1996 Atlanta Games, 15 former Bruins have participated on the world's biggest stage in their quest to bring home gold for their country. Eleven of those players have put on the Red, White and Blue for the United States and succeeded in winning medals in all four Olympic softball competitions. In the first Olympic softball competition in 1996, Team USA went 8-1, with its lone loss coming to Australia in round-robin play. In the championship game, the U.S. defeated China 3-1 behind the hitting of Sheila Cornell and Dot Richardson, who each homered and combined for all three RBI in the victory. Lisa Fernandez, who defeated China in the semifinals, recorded the final out to clinch the gold for the Americans. Former Bruins Jennifer Brundage and Christa Williams also earned gold. Joanne Alchin, Kerry Dienelt and Tanya Harding won bronze medals with Australia.

Four years later in Sydney, Australia, the United States won its second-straight gold medal, but it didn't come easy. After seeing its 112-game winning streak snapped with an extra-inning loss to Japan during round-robin play, Team USA lost its next two games in the preliminaries to China and Australia. But they would avenge all three losses in the medal round to win the gold. In the first semifinal against China, the U.S. claimed a 3-0 win in 10 innings. With Brundage and Cornell ahead of her on the base paths in the third extra inning, Stacey Nuveman launched a walk-off homer to send her team to a second semifinal against Australia. Against the host country, Richardson drove in the game's lone run and Fernandez struck out 13 in a 1-0 U.S. victory. In the gold-medal game against Japan, Fernandez picked up the win in a 2-1 triumph to give the United States its second-straight gold medal. Former Bruin Christie Ambrosi also won gold, while Amanda Freed was an alternate for the team. Alchin (Brown), Dienelt and Harding again won the bronze with Australia.

In 2004 in Athens, Greece, the U.S. was anointed as "The Real Dream Team" by Sports Illustrated. Team USA posted a perfect 9-0 record and shutout the competition in eight of those victories. The U.S. outscored its opponents 51-1 and did not allow a run until the sixth inning of the gold-medal contest against Australia. For the second-straight, gold-medal game, Fernandez earned the win in the circle. Fernandez, a three-time gold medalist, was joined on the team by former Bruins Nuveman, Freed, Tairia (Mims) Flowers and Natasha Watley. Harding represented Australia, winning a silver medal.

In 2008 in Beijing, China, Team USA steamrolled through pool play with a 7-0 record, outscoring its opponents 53-1. In the semifinals, a 4-1 victory over Japan put the United States in the gold-medal game for the fourth consecutive time. But for the first time in four Olympic competitions, the U.S. did not win the gold, as Japan claimed a 3-1 victory to upset the favorites. Nuveman won her third Olympic medal, Flowers and Watley each earned their second and Andrea Duran claimed her first Olympic medal. Fernandez was an alternate for the Olympic team. Australia won the bronze for Harding's fourth medal.

On July 11, 2005, the International Olympic Committee voted to drop softball from the Olympics and on August 13, 2009, the IOC denied softball's application for reinstatement.

National Pro Fastpitch™

The Women's Profastpitch League (WPF) began play on May 30, 1997. Since its inception, the league has undergone many changes with franchise locations and league names, changing to the Women's Pro Softball League (WPSL) in 1999. Suspending play following the 2000 campaign, the league, renamed as National Pro Fastpitch (NPF), resumed on June 1, 2004. The five-team league has franchises in Akron, Ohio, Blount County, Tenn., Chicago, Kissimmee, Fla. and Philadelphia.

UCLA players have decorated NPF rosters since the league began play. In 1997, the Orlando Wahoos won the league's first title and were led by Bruin pitchers B'Ann Burns and Debbie Doom. In 1998, former Bruin Dot Richardson became a WPF Spokesperson and later that season, DeeDee Weiman tossed the first perfect game in league history. Orlando once again won the championship in 1998 and former Bruins Doom, Kaci Clark, Nicole Odom and Alleah Poulson were on the squad which was coached by UCLA great Sharron Backus, who was named WPSL Coach of the Year. In 1999, the Tampa Bay FireStix claimed the title with Bruin hurlers Weiman and Heather Compton on the squad. Clark won her second league championship in 2000 when the Florida Wahoos won the title. In the league's return for 2004, the New York/New Jersey Juggernaut captured the crown, with Clark earning her third championship and joined by former Bruin Lyndsey Klein. Throughout the league's history, 20 Bruins have played for the fastpitch organization.

The PFX Tour brings professional and amateur athletes together at tournaments so not only do young athletes get to compete, they get the opportunity to watch, learn and interact with their favorite stars at the same event. The PFX Tour offers packages that bring the amateur athletes, coaches and fans up close and personal to today's stars. The tour packages include Learn From the Pros, College Showcase Skill Session, Skill Comparisons, Pro-Am Skill Challenges and more. The PFX Tour also includes Photo and Autograph opportunities along with Meet & Greet the Pros sessions.

The PFX Tour was designed for all ages to participate and enjoy and to help promote the sport worldwide, build an elite level for more than only a few select athletes, expand the sport's fan base, create an opportunity for athletes who have graduated from college to continue to play, provide a financial package that grows with the Tour's success to offer a career choice in the sport, generate value to sponsors for a "win-win" relationship and above all, give back to the sport from the grass roots up.

Among the former Bruins who have participated on the PFX Tour are Sharron Backus, Kaci Clark, Andrea Duran, Lisa Fernandez, Amanda Kamekona, Jodie Legaspi, Tairia Mims-Flowers, Stacey Nuveman and Natasha Watley.

Dr. Gene Block
Chancellor
Stanford, 1970
Fourth Year

Dr. Gene Block became chancellor of UCLA in August 2007. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

A champion of public universities, Chancellor Block quickly called for UCLA to deepen its engagement with Los Angeles and to increase access for students from underrepresented populations. An advocate of interdisciplinary scholarship, he has spearheaded a process of broad-based, campuswide strategic planning.

Chancellor Block holds UCLA faculty appointments in psychiatry and bio-behavioral sciences in the David Geffen School of Medicine and in physiological science in the College of Letters and Science. He also heads a research laboratory on campus that is funded by the National Institutes of Health (NIH).

Previously, Chancellor Block served as vice president and provost of the University of Virginia, where he headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

A native of Monticello, N.Y., Chancellor Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon.

Chancellor Block and his wife, Carol, have two adult children.

Dan Guerrero
Athletic Director
UCLA, 1974
Ninth Year

On April 25, 2002, Daniel G. Guerrero was named UCLA's eighth Director of Athletics. A former Bruin baseball player, Guerrero, who assumed his duties on July 1, 2002, has enjoyed great success and exudes the pride of a student-athlete who is in charge of the program at his alma mater.

Guerrero is one of the most respected and talented administrators in all of intercollegiate athletics. He is the current president of the Division I Athletic Directors Association. In addition, he is the first vice-president of the National Assn. of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee.

This past June, Guerrero completed a five-year term on the NCAA Division I Men's Basketball Committee. As the chair in 2009-10, he was involved with the negotiation of the new $10.8 million, 14-year NCAA Men's Basketball Tournament television package as well as the decision to expand the Tournament to 68 teams.

In Guerrero's eight years as AD, he has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (106) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 20 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 16 times and have had an additional 28 Top Five finishes (64 total). A staggering 152 teams (of 184 possible) have qualified for NCAA post-season competition and the football team has appeared in seven bowl games. The program has also won 45 conference championships in 15 different sports, produced over 400 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

In the last eight years, UCLA has finished second three times (2007-08, 2006-07 and 2005-06), third twice (2004-05 and 2003-04), fourth (2009-10), sixth (2002-03) and 16th (2008-09) in the race for the Leerfield Sports Directors' Cup.

This past year, UCLA placed fourth in competition for the Leerfield Cup and won its 11th NCAA Championship in softball and its sixth in women's gymnastics. The Bruins finished second in baseball and men's water polo, tied for third in women's soccer (seventh straight College Cup), fifth in women's water polo, tied for fifth in men's soccer and men's tennis, sixth in women's golf, tied for ninth in women's tennis, 12th in women's rowing, 16th in men's golf, tied for 17th in women's basketball and women's volleyball and 19th in women's swimming. UCLA also won three conference titles and two league post-season tournaments and the football team won the EagleBank Bowl.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years.

Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

Petrina Long
Sr. Associate AD/SWA
California, 1977
Seventh Year

Petrina Long is in her seventh year as senior associate athletic director/senior women's administrator at UCLA, having joined the staff in June of 2004.

Long has oversight responsibility for several sports, including women's basketball, women's volleyball, softball and gymnastics, as well as several administrative areas, among them academic services, compliance, equity issues, and governmental relations.

Long came to UCLA from UC Irvine, where she served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as interim athletic director following Guerrero's departure to UCLA.

In addition to her UCLA commitments, Long is also extensively involved in a number of areas relating to intercollegiate athletics. She currently serves as chair of the new NCAA Recruiting Cabinet after serving for three years as chair of the NCAA Academics and Eligibility Cabinet (AEC) Subcommittee on Recruiting. Long also serves on the NCAA Men's Volleyball Committee. On the conference level, Long is an administrative liaison to several sports, including women's volleyball, cross-country, track & field, and men's soccer. She is also a past chair of the Senior Women's Administrative Committee (SWAC) and is currently a member of the Women's Basketball Tournament Committee.

During her 11 years at UC Irvine, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and recently chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin.

Long was a member of the Big West Conference Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UC Irvine, Long spent nine years at Columbia University, serving in both the associate and assistant athletic director positions. She was the Assistant Athletic Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Traland.

UCLA: Simply The Best Overall!

UCLA 'Most Complete' Athletic Program

From *Sports Illustrated on Campus* in, April 2005: "UCLA has the most complete athletic program in the country."

Bruin Weather Helps Athletic Success

US Weather Service records for the Westwood area indicate the UCLA campus averages 334 'Sun Days' a year with an average year round temperature of 74 degrees.

'Dream College' Where Parents & Students Want to Attend

The 2010 *Princeton Review* survey of parents and future college students had UCLA ranked #6 nationally by parents and #7 by students as their 'Dream College' to attend. UCLA was the only public university in the top 10.

UCLA 'Most Popular' College for Applications

UCLA continues as the 'Most Popular' college for students to apply for admission in the 21st century. UCLA annually receives over 50,000 applications for 5,000 admission spots. It has been that way every year since 1999.

UCLA 'Hottest University' to Attend

Newsweek '08 College Guide: UCLA is selected as the 'Hottest University' to attend in the major college category.

UCLA One of 25 'New Ivies'

Newsweek magazine article in 2006 on the 25 'New Ivies' among colleges: "The nation's elite colleges include more than the top Ivies. A range of schools are getting fresh bragging rights like UCLA."

UCLA Campus Receives Most Media Attention

Scenic parts of the UCLA campus are utilized for more movies, television shows, and commercials than any other college. The UCLA name appears daily in more publications than any other school according to *Newswatch* Magazine.

UCLA 'Most Interesting College'

The 2003 Kaplan Publication on 'Most Interesting Colleges', has UCLA #1 overall blending their 6 categories of Academic Facilities, Freshman Housing, Career Services, Highest Academic Standards, Hot & Trendy Universities and Best Value.

UCLA #1 Hospital in West Since 1989

UCLA was ranked #5 overall and again #1 in the West (every year since 1989) by *U.S. News.* The Ronald Reagan UCLA Medical Center, which opened in 2008, is a one million square foot facility. It has been labeled as 'the hospital of the future.'

UCLA #1 in Female 'Athlete of the Year' Awards

UCLA is #1 all-time in women's collegiate history in Honda-Broderick Female Athlete of the Year Awards. Ann Meyers, Jackie Joyner-Kersee, Lisa Fernandez and Natasha Watley have all won from UCLA.

'Public Good' and 'Eco-Friendly' National Leader

Washington Monthly Magazine for 2010 rated UCLA #3 nationally among colleges in its contributions to the nation's 'Public Good' through Service, Social Mobility, and Research. The Sierra Club's 2010 list of top colleges committed to advancing sustainability on their campuses had UCLA #9 overall in having an 'eco-friendly' environment.

UCLA 'Coolest' School to Experience

Seventeen Magazine ranked UCLA as one of the '10 coolest schools' where you can get the best college experience. The criteria included professor's involvement, great shopping, campus safety and parties.

UCLA Has #1 Career Center

Business Week magazine has ranked the UCLA Career Center as #1 in the nation when blending opportunities for students for internships, part-time work, full-time jobs, and other needed services to prepare a person for today's job market.

Academic & Student Services (AS2)

Mission Statement

"Student-athletes Understand that Character Creates Educational Self-Sufficiency"

The mission of the UCLA Academic & Student Services office (AS2) and its S.U.C.C.E.S.S. Program is to provide an interactive learning environment that emphasizes life-long learning habits, goal setting, teamwork, leadership and character. Centered on the idea of the self-sufficient, independent learner, the S.U.C.C.E.S.S. Program features academic counseling, academic and student support services, and student-athlete development programs that support and encourage student-athletes to reach their full potential academically and personally. The AS2 team promotes a healthy balance between academics and athletics and embraces UCLA's "True Bruin" philosophy setting forth the ethical standards of integrity, excellence, accountability, respect and service. Our commitment is to assist student-athletes in their transition to the university, earning their UCLA degree, and develop their skills and confidence to be champions in life.

UCLA Community Outreach/ Wooden Academy

All UCLA head coaches stress involvement with the campus and the community. Whether it's volunteering at an inner-city youth clinic, speaking to children at elementary and middle schools in the area, or assisting in campus programs such as 'Marathon Kids' and 'I'm Going to College,' community service is an important aspect of being a Bruin. These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Community Outreach

Bruin student-athletes, coaches and staff have the opportunity to participate in community service activities on campus and throughout the Los Angeles area. Examples of these events include;

- Marathon Kids
- Dribble for the Cure
- Mattel Children's Hospital
- Elementary/Middle School Visits
- Team Prime Time/Prime Time Games
- UCLA Lab School Jogathon
- I'm Going to College
- Adopt a Classroom
- Special Requests/Events

These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Wooden Academy: Teamwork, Leadership and Character

The Wooden Academy is a comprehensive leadership development program designed to educate and support the standards of leadership for Bruin student-athletes. The pillars of the Wooden Academy are teamwork, leadership and character. The program is named after legendary Coach John Wooden, and strives to teach the values and principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes will have the opportunity to participate in the Wooden Academy each year by attending seminars and learning practical leadership lessons from coaches, administrators and Bruin alumni.

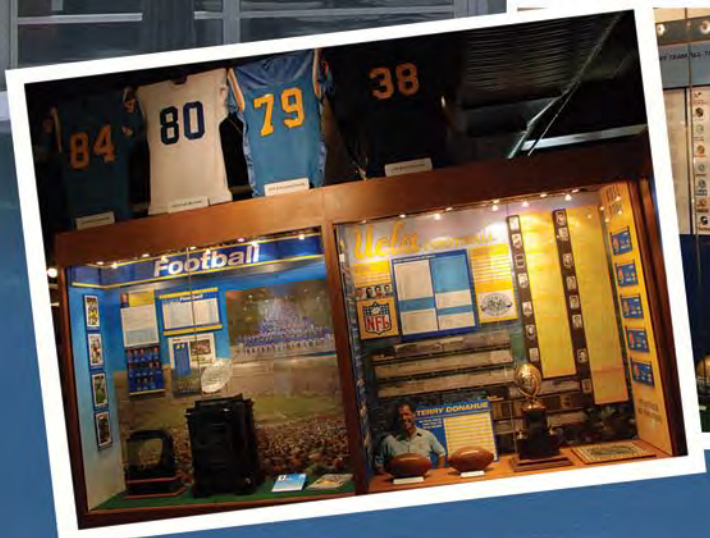
The J.D. Morgan Center



UCLA's commitment to comprehensive academic support services and a desire to expand existing resources to best serve the Bruin student-athlete of today and tomorrow remains constant. In an effort to support this ideal, UCLA's J.D. Morgan Athletic Center underwent a major expansion that upgraded the former facility into a high-tech building for the 21st century.

The project increased office space for both administrative and coaching staff, improved the student academic support services, and provided a "state of the art" Athletic Hall of Fame exhibiting the illustrious Bruin history and highlighting current events. Below are some highlights of the J.D. Morgan Center.

Student-Athlete Academic Learning Center
